AROUND TBD

President's Message

Dear Fellow Congregants –

Happy New Year! I think I can speak for everyone in saying that we are relieved that 2020 has come to an end. We are all weary of the pandemic and the isolation – but we must all keep our guard up, especially now that there may be an end in sight with the FDA granting EUA (Emergency Use Authorization) for COVID-19 vaccines. While immunization has begun, there are many months ahead until the supply is sufficient to vaccinate all citizens and reach herd immunity. OK, who ever thought that this phrase would become widely used!

December brought the celebration of Chanukah (or whatever spelling you prefer!) including drive-through pick-up of Chanukah goody bags and a drive-in service. Many thanks to Joanne Stein for coordinating this event and packing the wonderful bags, as well as the volunteers who assisted in the logistics, Janet and Barry Abis, and Rick Epstein. Rebitzin Shira held a Chanukah Chagigah for the younger children; and Rabbi Jesse conducted an entertaining Zoom session for all ages. There was even a lighting of our big Chanukiah on the Snellville Town Green on the final night! All of these events were planned and carried out using the current safety guidelines. We have learned to adapt to the circumstances, overcoming the difficulty of physical distancing.

I would like to take this opportunity to welcome the newest members of the Temple Beth David family: Taylor and Patricia, Lauren, and Ada. We are glad that you have joined us and hope that soon we can meet in person and give you the welcome that you deserve. Until then, please join us for any and all of the virtual services and educational offerings.

Our online presence is ever-increasing and is on par with many larger synagogues. We have added a "dual camera / split screen" to our Friday night live stream, as well as page numbers for each of the prayers and songs. While we cannot control the vagaries of the Internet, we do listen you your comments and suggestions for improvement. Some changes may be beyond my knowledge and capability – they did not teach me any of this during my Clinical Laboratory Science training in Transfusion Medicine and Cellular Therapy – but I will commit to attempting to implement your suggestions.

Rabbi Jesse has added more educational offerings to our virtual world. Adult B'nei Mitzvah classes have already started, with classes on Introduction to Judaism and Hebrew for all scheduled to start this month. More value for your TBD membership! These are in addition to the continuing weekly Tehilim and Lunch & Learn classes, as well as Shabbat services. Join them as you are able – not only will you learn something in an enjoyable environment, you will have the opportunity to meet other TBD members who you may not know well.

We have now passed the halfway point of the Temple Beth David fiscal year. To those of you who are current in your financial membership obligations – thank you for your support! If you have an outstanding balance, please pay as you are able – contact Laura Friedman, Treasurer with any financial concerns that you may have. Our buildings are now 20 and 30 years old and are in need of repair and maintenance. Please make payments to any outstanding Building Fees or consider making an extra donation to add to our maintenance coffers. Donations may be made by check to our P.O. Box 865, Snellville, GA 30078, by credit card through your Rakefet account (https://us.rakefetonline.com/#/login), or through the TBD website (https://tbdga.org/donation/).

Rabbi's Message

Happy New Year! 2020 is now in the rearview and what a year it was. As Jews we have two New Years to celebrate, a spiritual New Year and a secular New Year. At Temple Beth David we are continuing full steam ahead. This month we are introducingmore classes to our schedule including: A Taste of Judaism, Twice Weekly Talmud, and Hebrew for Everyone. These new programs are in addition to our ongoing Lunch & Learns and Tehilim sessions. Moreover, I am so honored to be mentoring our 5781 Adult B'nai Mitzvah students who began their studies last month. Overall I'm very excited for everything 2021 will have in store for all of us.

TBD is making such an impact that we have attracted supporters from outside of Gwinnett County...outside of Georgia. I spoke with a Rabbi from the Northeast and he shared with me that he was using funds he set aside for tzedakah to join small synagogues doing great things all over the USA. I had not heard of tzedakah in this form before and I was blown away. In an age in which affiliation to houses of worship across the nation are in decline, it is heartening to encounter people who are committed to supporting small synagogues and who recognize what we offer. It is nothing short of inspiring. I also want to take this opportunity to acknowledge all of you reading this who have made a commitment to partner with TBD as members.

It is easy to sit back and assume that TBD will always exist. After all TBD has been around for over 40 years. However small synagogues are closing left and right around the USA. TBD is an exception. In the past 18 months we have experienced growth...in the midst of a global pandemic no less.In decades past there had been a cultural expectation driving synagogue membership. This is no longer the case. By joining a synagogue you make the statement that you see the value in synagogue life and keeping TBD around for future generations and for the guests and visitors that come through our physical or virtual doors. When we acknowledge priorities we invest in them. Thank you for investing in TBD. We are committed to improving, innovating, and inspiring.

Have a healthy, happy, and hopeful 2021!

TBD is here for you, thank you for being here for us,
Rabbi Jesse

The Gwinnett Interfaith Alliance is sponsoring a Covid-19 Unity Healing Service. It will take place on January 10 from 3:30 to 5:00 PM. Rabbi Charyn and clergy from different faiths in our community will speak about the importance of recognizing our common humanity and spiritual healing in a pandemic. Interested ? TBD Policy Regarding Gatherings

Disclaimer: Until our health emergency ends and we feel that it is safe for us to open our building and all be together again, all classes, clubs and get-togethers that individual members want to hold on their own in homes or other locations will not be sanctioned by the synagogue. The congregation assumes no liability for any illnesses or injuries resulting from these events.

Petition for Inclusive Invocations a Public Meetings

The Gwinnett Interfaith Alliance is petitioning the Gwinnett County Board of Commissioners to adopt guidelines for invocations that make all Gwinnett residents feel welcome at their public meetings regardless of their religious beliefs. You can find out more about this issue and indicate your support at: https://forms.gle/665VMbhbjsaR1GyW7 . Please share this with anyone you think may be interested and is a resident of Gwinnett County. The plan is to collect as many signatures as possible and then present the petition to the board at one of their public meetings. The Gwinnett Interfaith Alliance was founded at Temple Beth David after our Tree of Life Memorial service. More information about the alliance is available at: gwinnettinterfaithalliance.org .

January Recipe

Winter Grain Salad 8 servings

(this recipe came from https://www.besthealthmag.ca/best-eats/recipes/winter-grain-salad).
It is chosen because lots of substitutions and additions are possible to adapt it to your tastes and the season.

Ingredients:

4 cups butternut squash, cubed (about 1/2 inch size)
1 Tbsp olive oil
4 cups cooked and cooled grains, (red and/or white quinoa, wheat berries, faro, bulgur, rice or couscous)
1 cup pomegranate seeds
1/3 cup green onions, chopped (include white parts)
1/3 cup fresh parsley, chopped
1/3 cup fresh mint, chopped
1/3 cup feta cheese, crumbled (light or regular)

Dressing:

2 Tbsp olive oil
2 Tbsp fresh lemon juice
1 Tbsp pure maple syrup or honey
2 tsp balsamic vinegar
1 tsp Dijon mustard
1/2 tsp orange zest, grated (optional)
Salt and freshly ground black pepper to taste

Instructions:

1. Preheat oven to 400 degrees F
2. Toss squash cubes with 1 Tbsp olive oil and a sprinkle of salt and pepper. Spread squash evenly on a small, parchment-lined baking sheet. Roast for about 20 minutes. Give squash a stir halfway through cooking time. Squash should be tender but still have a slight bite. Squishy squash is not good! Remove from oven and let cool.
3. In a large bowl, combine cooked grains, squash, pomegranate, green onions, parsley, mint and feta. Stir gently to combine.
4. Whisk together all dressing ingredients, except salt and pepper. Pour over salad. Add salt and pepper to taste. (A generous grinding of both) Mix well, being careful not to squish the squash. Serve warm or cover and refrigerate until chilled.

Sisterhood

As we prepare for a "new year" this month, lets each of us take a moment to congratulate ourselves on a year well lived. From all the mask making and wearing to social distancing to disrupted family gatherings to creative ways to engage to reaching out to help our first responders and people in our community that are not as fortunate as ourselves....we were presented with challenges beyond what we could imagine this time last year. And yet, here we are... looking forward to 2021. You can be certain that your Sisterhood will do its best to meet the continuing concerns around health and safety while planning activities that keep us connected, learning, and supporting TBD and our community.

A big thanks goes out to all of you that donated to our Chanukah food drive. Sisterhood coordinated with the TBD membership to collect nonperishable food, personal care, and household items for the South East Gwinnett Food Pantry. Our donations filled a car to the brink!

Mark your calendar...we are excited to announce that Karin Cohen (Rebbetzin Shira's sister) has agreed to lead a financial workshop on Zoom on the 24th from 6 to 7 pm. Ms Cohen is VP- Financial Consultant for Charles Schwab in Sandy Springs. Through this workshop, she will offer information that will increase our financial literacy and confidence around money issues.

The Sisterhood Book Club will be meeting this month. Watch your emails for the selected book and location. It will be held outdoors with social distancing and all participants must have masks. Please bring your own lawn chair. As always this will be a lively discussion with everyone's thoughts respected. If you have any questions, contact Joanne at coffeebean1942@concast.net or Fran Bruggeman at franbruggeman@gmail.com

A reminder that Sisterhood dues of $18 are currently due. This money goes towards Sisterhood activities, donations to the community, and supports select TBD projects. Mail your check to Toby Michelson at 505 Alden Drive, Decatur, GA 30030. Any Venmo payments can be sent @Toby-Michelson.

Building Repairs and Restoration

Under the auspices of the Board of Trustees, Frank Montelioni, Bill Kern and I have been working to begin the process of making much needed repairs to our synagogue in the hopes of having it cleaned and restored to its identity as a pleasant and healthful place of gathering and worship by the time Covid restrictions are lifted. Bill has taken on the role of 'IT Specialist' and has quietly spent many hours working with our internet and security camera providers to ensure continuous and effective service. Bill has also spent many hours outside the building wielding a ten-feet-long handheld tree saw cutting back tree branches that have grown over the curb line into the parking area. This project will continue until Bill and I have worked our way around the entire parking area. Frank Montelioni and I have been acting as Project Managers choosing professional contractors to do work that is too extensive for volunteers in order to complete as many line items on our list of "needful repairs" as we can with funds that are currently available. Our three primary "needful things" are: (1) reworking the weather seals on all of the doors in the synagogue, (2) having the building's clogged rain gutters cleaned and returned to full functionality, and (3) having the entire exterior of the building pressure washed. The weather seal rework will be completed the week of December 20th (parts have been an issue), and will reduce our heating, cooling and dehumidifying costs while enhancing the comfort of the Congregation once we are allowed to return to in person gatherings. The building's rain gutters were completely cleaned on December 8th, while pressure washing of the entire exterior of the synagogue had to be rescheduled for the week of December 20th because of weather. Service of the septic tank and its sump pump were added to the "needful" list for the week of the 20thwhen we discovered that the septic system had not been serviced in recent memory. Frank and Bill and I will continue to work our way through the long list of "needful repairs", using professional contractors when needed, while doing as much work as we can on our own, or with the help of "volunteers."But please understand that these repairs are merely the small starting point of what will be a months long program of repair and restoration. It all costs money, in some cases a great deal of money, and your dues and donations are, at present, our only reliable recurring source of funds.

Family Needs

For those of you who don't know why **FAMILY NEEDS** was formed – here's why. We reach out to families who experience loss of a loved one or who are going through a serious or not so serious illness.

If you are taking care of an adult or a child with an illness and suddenly find yourself without food in your house because you haven't had time to go to the grocery store – call us. Give us a list and some money and we'll shop for you. If you have a conflict getting children/adult to a doctor or a sports event at the same time and don't have someone to drive – call us. I can't guarantee we can help – but we sure will try. We want to take some of the burden off your shoulders.

If a close relative has passed away – call Rabbi Jesse (480-619-3344) or me (Wendy Fine 770-962-6486 – home – 678-431-2200 – cell) to make arrangements. If you must go out of town – let us know and we can send a platter of food to be delivered after the funeral or for a shiva service wherever you are. If it's local – we do the same thing. If you are having a shiva service for 1, 3 or 7 days we can make sure that you will have someone (usually Rabbi Jesse) to lead prayers and also make sure that there is food (usually dessert items) for afterwards.

We work with the family and your friends to make sure that you get the comfort, care and help that you may need. We also send sympathy and gets well cards as needed.

We don't ask that you pay for any of this, but we can **always** use donations to help cover the cost. Your donations "in memory of" "in honor of" "congratulations" or "get well" are our only source of funds for this service. If you donate please send it to Laura Friedman, TBD treasurer at P O Box 865, Snellville GA 30078. Make sure your check says **FAMILY NEEDS** somewhere on the check, so it goes into the right account. Laura will make sure that the person or family you are helping will get a card stating your donation (but not the amount). These donations will be listed, again, in our monthly bulletin. Believe me – the families you are helping will very much appreciate everything you can do to help. This also ensures that we can continue to do our work.

Please remember one thing – I am NOT a mind reader. Don't tell your friends that you need help. They will sympathize with your and probably NOT tell me. I don't want anyone to feel that they are not important and that we don't care. We do!!!!

Wendy Fine wendyfine8@gmail.com – the best way to reach me
770-962-6486 – home phone – because I always pick up messages
678-431-2200 – cell phone – last resort because I never know where I've left my phone

Donations have been made in Memory of Zelda Abis, mother of Ronnie Pesserilo and Barry and Janet Abis who recently passed away. Made by Ronnie Pesserilo and Sonia Freidus. These donations assist, along with others made to allow me to purchase items needed to keep the garden looking good as well as being able to purchase plaques when members pass away.

I will be purchasing plaques soon for Norman Freid, Ellabeth Green, Norman Leikach and Maurice Goldstein and am requesting that anyone else who would like a plaque put down in memory of a loved one to please let me know. We do not know yet when we will be able to do a dedication service but hopefully it will be soon.

I am planning on extending the garden up to the railroad ties and will need lots of help in doing that so please send me an email advising that you are available to assist in this project. (fds77691@gmail.com)

Again, Thank You to all those who help in keeping the Memorial Garden as a beautiful addition to our Temple grounds and a very peaceful place to sit and enjoy the outdoors at our Temple.
