Through the Jericho Walk, faith leaders, immigration activists, and community members march in solidarity with those who are being denied their right to remain by our unjust and immoral immigration system.

Jericho Walk

Tuesday, January 29, 2019

8:00 – 9:00 a.m.

Sponsored by Temple Shir Tikvah, Winchester; Winchester Unitarian Society & Temple Emanu-El, Haverhill

Walk, Stand, Pray – Join Us

Outside the ICE Field Office, 10 District Ave., Burlington, MA 01803

Though we walk in silence,
our actions speak to the injustices
that our communities face.

Jericho Walks are peaceful witnessing actions. Each walk begins and ends with a brief prayer, reading, and/or song near the entrance to the ICE Field Office at 10 District Avenue (your GPS may also recognize it as 10 New England Executive Park). We ask that all participants show respect to ICE officials and passersby, and not engage in confrontations.

Please bring signs with messages such as “Families Belong Together,” “I Stand with Immigrant Friends and Neighbors,” etc. Please do not bring signs mentioning specific politicians. Signs in Spanish are also encouraged, especially for 8AM Jericho Walks, when many individuals and families will be arriving for their ICE hearings.

When you arrive at 10 District Ave, please park in the back lot area.
