The Shulchan Aruch encourages one to daven *Mincha* on Friday, **Erev Yom Kippur** prior to eating the *Seudat HaMafseket*. Hence, we have scheduled a 2:30 pm *Mincha* in the Main Shul. Those unable to join in an early *Mincha* may meet in the Beit Midrash at 6:25 pm for *Mincha*. (We cannot guarantee a *minyan* will be present for the later *Mincha*.)

Kol Nidrei is scheduled for 6:40 pm, followed by *Ma'ariv*.

Candle Lighting and Tenai for Yom Kippur

As *Kol Nidre* begins before the "official" candle lighting time, one is advised to light candles a little early and with a *tenai*, condition. One may then drive to *Shul* and leave one's car overnight. The wording of the condition, which follows, should be recited ***prior to*** lighting the candles:

> **"I do not accept upon myself any of the restrictions or obligations of *Yom Kippur* until the *Kol Nidre* service concludes, or sunset occurs, whichever is earlier."**

The candles are then kindled and the first blessing only ("*…L'Hadlik Ner Shel Shabbat v'Shel Yom Ha'Kippurim."*) is recited. The second blessing (*Shehecheyanu*) is recited with the Congregation after *Kol Nidre.* Whether one lights candles in the regular format or with the above condition, care should be taken to recite the *Shehecheyanu* only once.
