Internationally Acclaimed Singer and Songwriter

Featured Guests

Communities from across the country will gather for Israel's 73rd birthday!

Join us for music from Craig Taubman and Dganit Daddo, Israeli dancing, Stories of Israel, and more.

Do you have a personal story of resilience or innovation? How about a memory or connection to time spent in Israel?

Share your experience with us by using the link on our registration page. Stories can be shared in written or video form, and will be featured on our West*East webpage after the event.

To learn more and register, please visit: bit.ly/yomhaatzmaut2021

Stories of Israel explores the underlying tensions facing Israeli society today through the eyes of Israel's ordinary citizens. With beautiful video footage and personal interviews, Rabbi Josh Weisberg introduces us to the Israel beyond the tour bus - an Israel filled with both challenges and dreams. Real people and real conversations to spark questions and serve as inspiration for adults and children alike.

Organized by Congregation Kol Emeth
