# JEWISH FAMILY LEARNING

*Virtual Sessions to Celebrate What Sustains Us*

Parents & Youth:

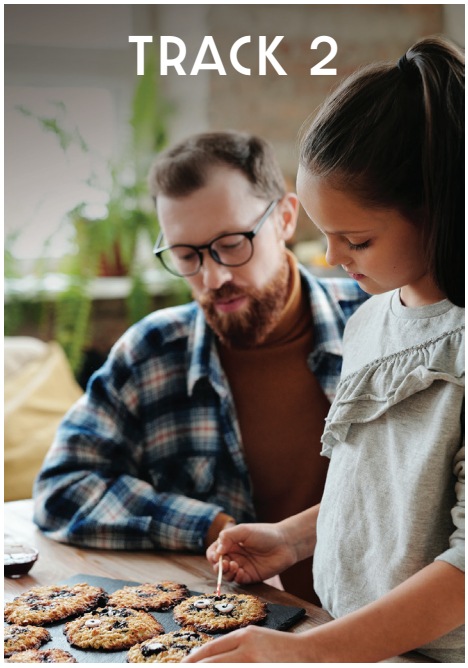
Join together with other Jewish families to dig up some history or share some recipes, all while learning more about your Jewish family traditions. This fun online series promises to be both engaging and enriching for the whole family!

## TRACK 1

### EXPLORING YOUR FAMILY ROOTS

Embark on a family quest, in search of your family's past. Where are your ancestors from and how did you get to be here? How have your family traditions been passed down or evolved through the generations?

## TRACK 2



### JEWISH COOKING

Learn some Jewish food history as we make recipes from various regions around the world. Follow along with the teacher, cooking from your own kitchen, and savor the richness of foods you are learning about and preparing together.
