Parsha Puzzler (Answer)

It's Carmel Winery, *Yikvey Carmel*. The largest winemaking company in Israel! Do you see two men dressed as Biblical figures and carrying a cluster of grapes? This image is based on the story - in this parsha - about the 12 scouts. Two of the scouts cut down a cluster of grapes and carried it on a stick back to the desert to show the Israelites the quality of the fruit of Israel (Numbers 13:23-24). *L'CHAIM!*
