The Shidduchim Committee will meet at the YIH Gold Room on Sunday 12/28 at 7 PM.

A group of concerned balabatim under the guidance of the Hillcrest Rabbanim have published a booklet for use during funerals at Sinai Chapels. The booklet contains Tehilim to be recited at a funeral instead of the typical "shmuzing" that goes on in the presence of the niftar while waiting for the Levaya to begin. Appropriate announcements will be made and we encourage the community to help raise the spirituality and decorum of these most somber occasions. May we be zoche to share only Simchas within our community and Klal Yisrael.

Basic Colors will be in our Shul on Sunday 12/28 from 10:30 AM – 4:00 PM.
