ASSOCIATE MEMBER – ELIGIBILITY and RESTRICTIONS:

Two years ago, the congregation created the membership classification ***"Associate Member"*** which is **open only to those who spend less than 30 cumulative days a year in Century Village**. The dues and maintenance allocation of Associate Membership are half that of Regular Members.

Associate Members receive most of the same rights and privileges as Regular Members: they are listed in the phone book, they receive *kibbudim* in shul and they get the Torah Ohr discount card.

Associate Members **do not** have voting rights in any congregational matters and do not receive the membership discount for high holiday seats.

Questions regarding Associate Membership should be directed to the Chair of the Membership Committee, Stanley Kaplan.

This is a tribute to all my friends who paid a shiva call, sent cards, and called on the phone to express their kind thoughts while I was sitting shiva for my sister, Rochelle Horn. To those who provided meals for the shiva house, I say thank you. When we share a simcha, whether it be a birthday or the birth of a grandchild, our friends are there, but when one is in mourning that is when we really know who our friends are. This community is a special place, and unless you live here, one can't know how blessed we really are to have such supportive comradery. Once again, I say thank you, **—Giselle Lazerowitz**
