Recording of the Virtual Tour of Ancient Shilo

If you were unable to watch the virtual tour of Ancient Shilo on Sunday, here is a link that will allow you to view it through February 7th. The program starts at the11:45-minute mark with the dedication of the Shomrei Emunah/Hadar-Yosef Friendship & Brotherhood Partnership Garden.

Eliana Passentin, who serves as Shomrei's direct contact to our sister community, Eli, and to the students of Talmud Torah Hadar-Yosef, made a beautiful and meaningful presentation. Her knowledge of Shilo, which is located literally next door to Eli, is vast; and her personal stories bring a special understanding of its history and its impact on us today.

The 45-minute tour is preceded by the students planting the beginning of the Partnership Garden. The placement of the plants into the prepared ground was a testament to the long-standing well-grounded partnership between Shomrei and Hadar-Yosef, whom we have been supporting for many years.

The students know all about Shomrei's support and are happy and ready to recite tefilot and learn in the memory of our loved ones and in honor of our friends and relatives' special events. Contributions can be made to the Shomrei Israel Fund, earmarked Hadar-Yosef or made on line at www.shomreiemunah.org by clicking on "Donate". Under "Payment Details" and "Type", choose Israel Fund. Please indicate if you are donating in memory of or in honor of someone.
Thank you.
