Information for Volunteers

Did you know?

Community Partners of Lower Merion and Narberth is an initiative to ensure that all children 18 years and younger in Lower Merion and Narberth have access to free, healthy meals during the summer months. Join us this summer at one of our locations! Families welcome!

How can you help?

You can help this summer in a new and fun way with the Community Partners of Lower Merion and Narberth. Volunteers are needed to help serve food and prepare programs for children at local summer food programs. The programs vary in time and date and are available for all children 18 years or younger who attend. We need LOTS of volunteers for all kinds of jobs—serving the meals, preparing weekend bags, joining in and leading activities with kids, and working behind the scenes.

When do we need help?

Who can volunteer?

Volunteers ages 14 and older are welcome. All volunteers ages 18 and older must have all of the required background clearance to ensure the safety and well-being of our children. Volunteers must sign up in advance and be affiliated with one of our sponsoring organizations. We strongly recommend attending one of our Volunteer Training Sessions.
