community purls

A local knitting program delivering warmth close to home.

Take a stitch and give the gift of warmth and hope to the neediest members of our community. Thousands of women, men and children need our help to stay warm as summer temperatures fall to winter's icy cold. We've been asked to create 3500 items to fulfill the most immediate requests.

With your help, we can do this!

How can I help?

Knit or crochet as many items as you can.

What items are needed?

Items requested for the upcoming winter include: Caps (for children, teens and adults), scarves, shawls, Peace Pals and blankets. Simple and fast patterns for these items are posted at:
