Pat and Errol Fine wine us and dine us deliciously and unselfishly devote themselves to our Shul, our community, Israel and the Jewish People. They are beloved by all who know them, humble, and gracious. We thank them for allowing us to honor them as our Tiferet Award Honorees.

Alice Schoenfeld has been a leader of our Shul for many years, an active member of our Board of Directors, our Banquet Chairman countless times, and a generous sponsor and supporter of many special events and of numerous Scholars in Residence. The Keter Shem Tov Award given to her is especially fitting.

Ariela and Ari Shandling give our Shul, and particularly the Young Professionals Minyan, incredible energy, creativity, leadership and commitment. Their enthusiasm for and on behalf of Beth Jacob is infectious. We are so proud to have them as our Dor Chadash honorees this year.

Dearest Savta,

After years of devotion to your family, your community and the Jewish people at large, we find it only fitting that you receive the Keter Shem Tov honor. Not only do you continue to serve as a role model for us, but you have also become more and more of an inspiration to those around you. While your passion for Eretz Yisrael and for Jewish education continues to burn bright, we have been amazed by the renewed strength that you have found in telling your life story. Watching you touch the lives of thousands of students with your new book and lectures is invigorating for us all.

May Hashem continue to give you strength and good health as you continue to lighten up the lives of those around you. May you be able to watch your family grow for many more years to come.

Dear Mom,

Congratulations on receiving this well deserved honor. Your name is practically synonymous with Beth Jacob.
You, together with dad, z"l, were builders of this community, active participants in its development. You've continued this involvement on your own, always available with ideas, suggestions and support. You've even expanded your circle of influence by speaking publicly about your own personal experiences growing up during the Holocaust. You've thereby touched the lives of so many people, young and old. We value the example you've set for us, your children and grandchildren, of the importance of a strong Jewish community and a strong Jewish state, and each in our own way looks to live up to the standard you've set.
Thank you for showing us the way and for being a pillar of support to us, your family, and to the Jewish community at large.
All our love,

Your children Esti and Eddie
Your grandchildren Ma'ayan, Ariel and Tamar
Your great grandchildren Avraham Yedidya, Moriah Leiba, and Sara Tiferet

YASHER KOACH to the other honorees,

Pat & Errol Fine, who have a history of active participation in the Beth Jacob and greater Los Angeles community as well as in Israel;
And most especially to **Ariela and Ari Shandling** who we've watched grow up and feel an enormous sense of pride in your involvement at Beth Jacob and the community at large.

To my dearest Savta,

Mazal tov on your receiving of the Keter Shem Tov award!
It is such a well-deserved honor.

I will always love the image I have of sitting next to you in shul as a little girl,
seeing what great pride you took in your community.

If anything, your commitment to the Jewish community has only continued to grow over the years.

You and Sabba, *z'l* have been cornerstones of Beth Jacob for so long. More recently, you have found new ways to contribute to the greater community by sharing your personal life experiences.
You do so with such poise and strength.

You are truly an inspiration to me, the Jewish community, and far beyond.
The community is lucky to have you and I am so blessed to have such an incredible role model!
We can all only aspire to be as dedicated and generous as you are.

You should continue to go from strength to strength!
