A: Concerts, theater, museums, exhibits, points of interest, educational events, lectures. Anywhere “WE” decide.

Thank you so much for your generosity and support! Miriam Weintraub
Dear YIEB Community,

We wanted to take this opportunity to remind everyone of the MANY Adult Education classes that are currently being offered at YIEB. Taking the time to study Torah during the week can really help infuse meaning & spirituality into the daily routine. Also, it allows you to connect with others and of course, all YIEB classes are free of charge! Each class is open to participants of varied learning backgrounds and allows you the opportunity to just “jump in” even if you have not attended previously. So, take a look at the list below and find a class to join! Additionally, please remember that our YIEB Beit Medrash is stocked with an array of Seforim that might be of interest to you. If you have any questions or suggestions or if you’re looking for a one on one charvusa, please feel free to contact either of us.

Begins on October 9th, 2013
Please support us, as we run the Ft. Lauderdale marathon in honor of the very special children at Camp HASC. Unless you’ve seen it with your own eyes, it’s hard to imagine a camp with 350 children and adults with severe special needs where the atmosphere is filled with happiness, laughter and love. Camp HASC is a place of magic, miracles and top-notch care.

The campers all have developmental disabilities, however, when they walk through the gates of camp, they are simply boys and girls here to have a great time. Though many of the campers are severely physically impaired, they play baseball, go to concerts, ride (adaptive) bicycles, swim in the (adaptive) pools and have the summer of their lives at Camp HASC.

Medical conditions that require expert and sensitive care are no match for the round the clock Camp HASC infirmary with its 13 nurses, Dr's, EMT's and volunteer paramedic.

The dedication of the counselor staff, the expertise of the professional staff and the energy of the support staff enable these special kids to spend their summer the same way every other kid deserves to—with friends, in the sunshine, happy as can be! The campgrounds in Parksville NY are affectionately known as "Heaven On Earth."

This past summer, we had the privilege of working at Camp HASC with campers who have physical and/or mental disabilities. Our goal for running is to raise money to help run Camp HASC and make it an even better place for the campers to learn, grow and conquer goals. Each and every camper will benefit greatly from the new additions that you can help support at Camp HASC.

We thank you for any donation that you can make. Every bit counts.
