

## KNESSET SHALOM SINGERS

For over 20 years, the adult volunteer choir has been a vital part of Temple life. The choir, led by Cantor Kari, sings once a month at Shabbat services, as well as at many of the holidays and events in the community.

New members are always welcome. The only requirements are that you can carry a tune and love to sing. You do not need to be able to read music or Hebrew, and no audition is necessary. This is a fun group of people who like to sing together, but it is more than that. It is a warm community of friends, too.
