

# Process for Collection Vaccination Records from the Ministry of Health (MOH) Health Hub

## Option #1 – From a Computer

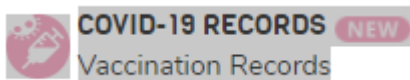

The following is a guide to collecting a PDF document version of your vaccination record from the Singapore MOH Health Hub, from a computer.

### Step #1

From your computer browser, go to: <https://www.healthhub.sg/>

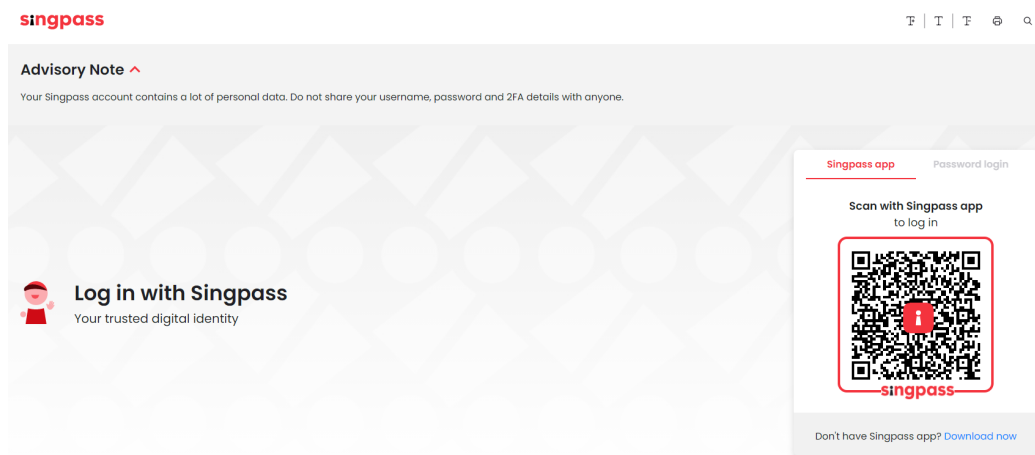

### Step #2

Click on: “COVID-19 RECORDS”

### Step #3

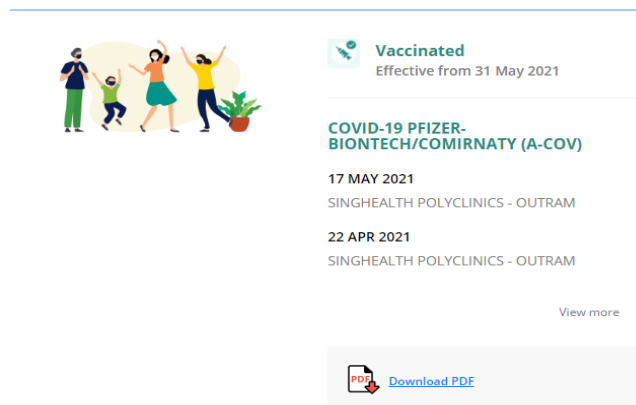

Follow the process to Log in with “Singpass”

### Step #4

Once you Log in, you will be taken back to the Health Hub and will see “Vaccination Records”

#### Vaccination Records

A screenshot of the 'Vaccination Records' page. At the top left, there is an illustration of a family (a man, a woman, and a child) standing together. To the right of the illustration, there is a 'Vaccinated' status with a green checkmark icon and the text 'Effective from 31 May 2021'. Below this, the text 'COVID-19 PFIZER-BIONTECH/COMIRNATY (A-COV)' is displayed. Underneath, there are two entries: '17 MAY 2021 SINGHEALTH POLYCLINICS - OUTRAM' and '22 APR 2021 SINGHEALTH POLYCLINICS - OUTRAM'. At the bottom right of the record list, there is a 'View more >' link. Below the record list, there is a 'Download PDF' button with a red and white icon.

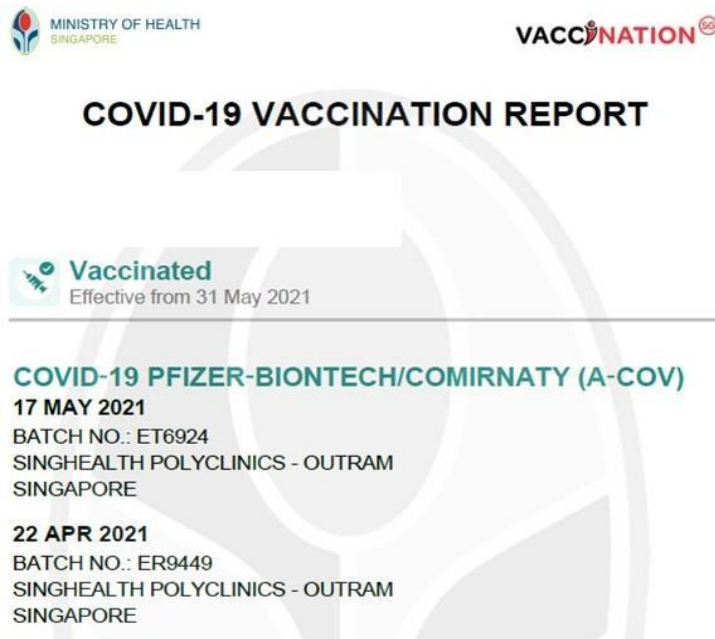

## Process for Collection Vaccination Records from the Ministry of Health (MOH) Health Hub

### Step #5

Click on “Download PDF”, see **yellow** arrow

### Step #6

A PDF document will be downloaded that looks like this:

### Step #7

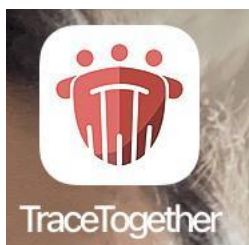

Save this for you records

### Option #2 – From a Mobile Device

You can access Health Hub via the “TraceTogether” app on your mobile device.

### Step #1

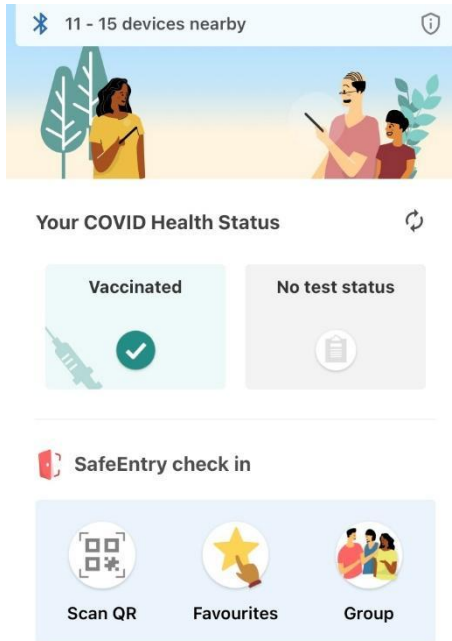

Click on the app

### Step #2

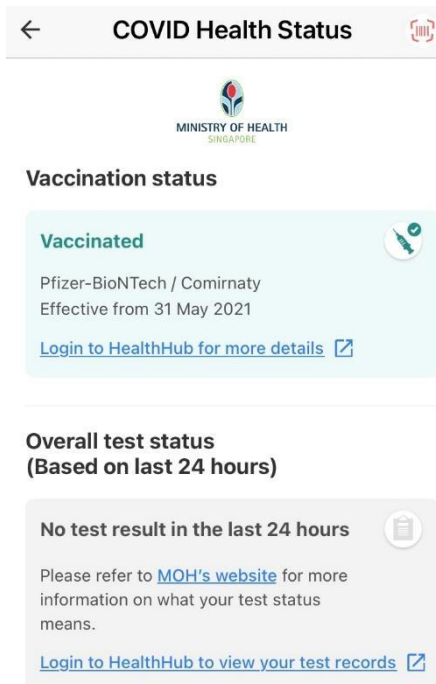

Click on “Vaccinated” and you will be taken to the “COVID Health Status” screen

## Process for Collection Vaccination Records from the Ministry of Health (MOH) Health Hub
