

Gan HaMishpacha: Family Center

Embracing Children, Families, & Caregivers Through the Early Years

Mazel tov on welcoming a new baby into your family!

Gan HaMishpacha is Adas Israel Congregation's new familycenter providing support, programming, and community to support your family through the discovery, adjustment, and joy of welcoming a new baby into your family.

Havurah Cohort Program:

A havurah is a tight-knit friendship group. Our Havurah program connects families with children of similar ages so they can move through their early years at Adas together.

Perinatal Groups: Including prenatal, postpartum, and partner groups to support a cohort of parents, provide connections with peers, and a safe space to ask any and all questions.

Enrichment Classes: Programs include adult-and-me infant and toddler classes, Shir a Song music classes with Miss Ellie, and Sing 'N Play story time with Adas Israel librarian Robin Jacobson.
