

## Now Hiring Early Childhood Educators!

### About Us:

We are a Reggio Emilia-Inspired, Jewish values-based preschool in Northwest Washington, DC. We believe children are full citizens with powerful ideas and voices. We are an inclusive school and celebrate the developmental differences of each child. Our educators are learners and leaders whose voices and ideas shape the school around them. We have a Co-Educator model where all members of the teaching team contribute to the classroom meaningfully.

### Positions Available:

- Full-time 2s Teacher
- Full-time Support Staff (“Floater”)
- Part-time 2s Teacher

### About You:

- A dedicated, passionate, collaborative, and creative early childhood educator
- Interested in a full-time or part-time schedule beginning August 30, 2021
- Qualified to serve in a Lead, Assistant, or Special Educator role
- Have a CDA, AA, BA, or higher degree
- Experience working with young children (ages 2-5)
- Familiarity with progressive, play-based curriculum development
- Teaching experience in multicultural environments preferred

To learn more about us, [visit our website](#). To join our team, email our Assistant Director, [Darci Lewis](#). Please include a cover letter and your resume in your email.

## Professional Responsibilities:

- Create and implement intentional, emergent curriculum
- Create and maintain a classroom space that offers children an attractive, engaging environment
- Be an effective team player, work collaboratively with teaching team and school administration
- Develop effective communication and partnership with families
- Conduct two parent conferences a year to discuss child development with parents/guardians and write corresponding student narratives
- Guide and support students' acquisition of social skills
- Be responsible for children's safety at all times and in all settings
- Conduct developmental screenings with all children
- Implement Individual Family Service Plans or Individualized Education Plan with Director of Early Childhood Development & Family Support, as applicable
- Provide ongoing observation and authentic assessment of individual children and maintain a comprehensive portfolio assessment for each child
- Respond to regular direct instructional coaching feedback
- Perform other duties as assigned.

## Benefits:

- Generous vacation/sick leave, including four additional paid weeks off for winter, spring, and summer breaks
- Medical and dental insurance for full-time staff
- Discounted childcare
- Professional development opportunities
- Collaborative and creative work atmosphere

Salary commensurate with experience and education
