This year’s Yom Noraim were unique in many ways and once again, Bais Torah rose to the occasion. Our davening ran flawlessly and in a safe manner, in no small measure due to the preparation and efforts of so many dedicated individuals.

We thank Rabbi Gottlieb for his constant guidance and inspiration; Jack Gross, who worked long hours overseeing and coordinating the myriad details involved in making everything run smoothly; Miriam Frankel, who so ably managed all the complicated seating arrangements; Peter Katz, who was instrumental in obtaining our second tent and setting it up at the 11th hour; Sandy Lieder, who put up the mechitza and together with her crew, polished our shul’s brass to a gleam; our wonderful ba’alei tefilla, Yosi Rosenberg and Michael Kronenberg, who doubled as auctioneer; our pinch-hitting ba’alei tefilla, Abe and Uri Salzman, with their melodious voices; our gabbaim par excellence, Steve Fessel and Laurence Gordon; and our talented shofar blowers, Seymour Lutwak and Rabbi Shlomo Horowitz. A tremendous yasher koach to you all!

It’s not too late to make a donation to our Yom Kippur appeal, and it’s now easier than ever to redeem your pledge. Just go to our website, www.baistorah.org, and make your payment by clicking on the “Donate” tab.

Rabbi Gottlieb’s Daf Yomi shiurim are streamed live on Zoom every morning and are also available on our website, www.baistorah.org. The Zoom ID number is #266 109 506. Last Sunday’s Daf Yomi was sponsored by Mark Srulowitz in memory of his father, Dovid ben Yitzchok and by Sonya Kornbluth Fogel in memory of her mother, Chana bas Meir Yechiel.

As long as the weather permits, we will continue to hold our regular minyanim outdoors. We will move indoors when the weather makes it unsafe to be outdoors. We thank everyone for their continued cooperation in adhering to our critically important safety protocols:

- Everyone who attends any of our minyanim must wear a mask, properly affixed and covering the nose and mouth.
- Everyone attending the minyan is expected to maintain a distance of six feet from others unless he is called up for an aliyah and stands safely on the other side of the Plexiglas barrier.
- Only sit in your assigned seat. Please remain by your seat and do not walk around or stand at a distance from your seat.
- Do not gather in or around shul.
- Bathrooms are available and are cleaned, but the use of the bathroom still increases your risk. Use them as little as necessary.
