

UPDATE: As you know the March of the Living Trip this spring was unfortunately cancelled due to Covid-19. We are hoping all will be well for 2021 and the teens will be able to go. All funds collected so far will be going to support that trip. T-shirts have not been printed yet. For those of you have already placed your orders, thank you for your support and patience. We have decided to extend the ordering time to give others an opportunity to order before we get them printed in December. **Just in time for Hanukkah!** These will make great gifts. We will arrange to have times to pick up t-shirts at the temple curbside when they are ready.

Thank you for your support!
