## Our Guests of Honor Suzi and Kal Tuchman

Suzi and Kalman Tuchman have lived in Oceanside since 1976 where they raised their four sons, all of whom have wonderful memories of growing up in our Young Israel community.

Suzi's lifelong affiliation with Young Israel began as a young child when her family moved to Long Island. Her father was a founder of the Young Israel of West Hempstead, and a recipient of the prestigious National Council Shofar Award.

A Stern College alumna, Suzi received a Masters in ESL from Hunter College in anticipation of making Aliyah. However, after their marriage the Tuchmans settled "temporarily" in Oceanside and Suzi immediately became involved in every aspect of Sisterhood. She served twice on the Presidium, first in the 1980s and again twenty years later. Suzi has been the treasurer of the Mikvah since it was established, a member of the Chevrah Kadisha, and, together with Kal, a *Bikur Cholim* volunteer at South Nassau.

Kalman, a Yeshiva University alumnus with a degree in Biology, taught Industrial Technology for thirty-five years in various NYC high schools, received a Masters from NYU in School Administration and Supervision and was appointed Assistant Principal of Careers and Technology Education at Wingate HS in Brooklyn. Kal's science background enabled him to teach Biology and Earth Science at Yeshiva Darchei Torah and HANC middle schools. Retired from teaching, Kal expanded his horizons when he became an Adjunct Professor at Touro Graduate School of Education.

YIO took advantage of Kal's voice when he read the Megilla for a number of years, as well as *Ba'al Tokeah*, *Ba'al Koreh*, and *Ba'al Tefillah* for many years in the Auxiliary *Yamim Noraim Minyan*. A board member, he was the Shul's House Chairman for over twenty years. Kal was keeper of the *Yahrtzeit* Plaques until recently, and as a member of the *Chevra Kadisha*, he is able to take part in the important *Mitzvah* of *Chesed Shel Emes*.

Their children, Aryeh, Donny and Yael, Yoni and Sivan, Hillel and Rachel carry on the Tuchman tradition of service in their own communities, and in turn set wonderful examples for their own children.

## Our Arnold Skolnick Young Leadership Awardees

### Dora Chana and Josh Haar

Dora Chana and Josh Haar visited Oceanside 9 years ago and immediately decided that this was where they wanted to raise their family and that this was the community that they wanted to call home. Since that time, Dora Chana and Josh have dedicated countless hours to our Shul and our community.

Dora Chana and Josh have each played various roles in YIO - they have been members of numerous committees and have participated in virtually every event that the shul has run.

Perhaps the most significant impact that they have had on the community is their love for entertaining guests. Over the years, Dora Chana and Josh have opened their home to countless prospective families, many of whom have since moved to Oceanside and the Haars can happily count them as friends. They are also always among the first families to reach out to people who are new to the neighborhood or to anyone who might need a place for Shabbat.

Dora Chana and Josh have also been involved in the community's growth initiative in other capacities- from representing Oceanside at the YU Community Fair, to organizing parlor meetings, to keeping information and photos from Shul events up-to-date on the YIO Facebook page.

Dora Chana is currently serving on the Executive Board as Treasurer. She also works as a pharmacist and consultant for Pharmsaver, a pharmacy technology company, and teaches chemistry at Shulamith High School.

Josh is a CPA and Tax Manager for Angelo, Gordon & Co., a hedge fund in Manhattan.

Dora Chana and Josh are the proud parents of Evie, Lea, Eli and Annie. We are certain that the Haars will instill in their children the same love and responsibility for community that guides so much of what they do.

## Greetings from the Rabbi

I would like to extend wishes of *mazal tov* to Suzi and Kalman Tuchman, the Guests of Honor at our 62<sup>nd</sup> Annual Young Israel Journal dinner. They truly are a couple that represents who we are as a community and what we strive to be. I would also like to extend wishes of *mazal tov* to Dora Chana and Josh Haar, recipients of our Young Leadership Award.

Harry Truman is known to have said, “It is amazing what you can accomplish if you do not care who gets the credit.” This statement is true for individuals, and it is also true for organizations. In *Pirkei Avot* (4:11), Rabbi Yochanan the shoemaker states: *kol kneisiya she’hi l’shem shamayim sofa l’hitkayeim*, i.e., every assembly that is dedicated to the sake of Heaven will endure. Additionally, he states: *v’she’aina l’shem shamayim ain sofa l’hitkayeim*, i.e., a gathering that is not for the sake of Heaven will not endure. What two gatherings are contrasted here? *Tosafot Yom Tov* points out that Rabbi Yochanan the shoemaker does not contrast an assembly that gathers for a *mitzvah* with an assembly that gathers for an *aveira*. In other words, he doesn’t believe that the goal of the assembly will determine whether it will endure; rather, the motivation of the members of the assembly will determine whether it will endure. Even if the assembly is formed with a laudable goal, for example, to support Torah study or to feed the needy, nonetheless, *Tosafot Yom Tov* argues that if those who participate in the assembly do so with improper motives, such as *gaava* and *yuhara*, i.e., arrogance, or, in the words of Harry Truman, to get the credit, then this organization will not endure. Indeed, *Tosafot Yom Tov* writes that unfortunately, in his time, it was common for individuals to possess these negative qualities in communal organizations.

*Baruch Hashem*, our shul is a wonderful *kneisiya*, a wonderful assembly or organization, with active members whose goal is to enhance the level of *Torah*, *tefilla* and *chesed* in our community. Additionally, our motivations are *l’shem shamayim*, for the sake of Heaven. This is why our organization will continue to grow stronger and stronger in the years ahead. This evening we are honoring two couples who truly epitomize service to our organization with this motivation.

Suzi and Kalman are a true Klal Yisrael couple. As a couple, they have given so much to the Oceanside Jewish community, volunteering for the Young Israel general organization, Sisterhood, the Mikvah, the *Chevra Kadisha* and South Nassau Communities Hospital. And they do it all *l’shem shamayim* and they do it all with a smile! I have known Suzi and Kalman to be spiritually

❧ הנה מה טוב ומה נעים, שבת אחים גם יחד ❧

❧ *celebrating 62 years* ❧

growth-oriented individuals who both love to learn, who are *machshiv talmidei chachamim*, are *medakdek* in *halacha* and who are *baalei emunah*. They have raised their children with these values and their children are now continuing in their parents' footsteps in their own families. It has been a personal privilege for me to work with Suzi while she was Sisterhood president and to work with Kalman as house chairman, knowing full well that everything that they did for the community was with the purest of motivations. What is so special about Suzi and Kalman is how they are such loyal friends, how they literally will do anything for anyone. On behalf of Yael and myself, I'd like to wish a *Mazal Tov* to Suzi and Kalman and their children, Aryeh, Donny and Yael, Yoni and Sivan, Hillel and Rachel, and their numerous grandchildren.

Dora Chana and Josh are such an integral part of the fabric of our community. They are constantly opening their homes to prospective families and new families who move into the community. You will find them at almost every shul event and many life cycle events that take place within the community, because they feel connected to so many Oceansiders, both young and old. I enjoy learning with Dora Chana at our women's contemporary chabura and I enjoy learning with Josh at our parsha shiur. They are always wanting to do more for the community, to make more people feel welcome, engaged and spiritually connected. Together, Dora Chana and Josh are an endless supply of energy which is contagious to the rest of our community! And they are so respected by their peers because they are never interested in taking credit for anything they do. They are devoted parents to their children and are invested in imbuing their love for *Klal Yisrael* and community to their children. On behalf of Yael and myself, I'd like to wish a *Mazal Tov* to Dora Chana and Josh and their children, Evie, Lea, Eli and Annie.

## Greetings from the President

Welcome to the 62<sup>nd</sup> Annual Dinner of the Young Israel of Oceanside. This year we are privileged to pay tribute to our Guests of Honor, Suzi and Kal Tuchman and to our Young Leadership Awardees, Dora Chana and Josh Haar.

Suzi and Kal have been an integral part of our shul for more than forty years. Not only have they been involved in the running of various committees and have assumed various leadership roles throughout the years, but they are a couple who have literally worked on the physical nuts and bolts that hold the shul together. These jobs are often less glamorous than other tasks and take a certain level of humility and work ethic to ensure that the inner workings of the shul run smoothly. Hard work and *anivut*, humbleness, are certainly *midot* that this couple epitomizes. Suzi has served as president of sisterhood, twice, and has been chairperson of the sisterhood board. She has chaired numerous functions for the shul over the years while also having served on the board of the *mikveh*. Kal has served as the house chairman, maintained our *yahrzeit* boards, arranged for *mezuzah* and *tefillin* checking, served on the dinner committee, has worked on numerous other shul events and has been a *baal tefilah* for many years on the high holidays. We are pleased to be able to honor them for their efforts on behalf of our shul.

Dora Chana and Josh have lived in Oceanside for more than eight years. And while their efforts in serving the shul in various capacities alone are worthy of this award, the extent to which this couple performs *hachnasat orchim* is what truly defines them and makes them stand out. They are a young couple who is known for making others feel at home - whether it is welcoming others to a Shabbos meal in their home or ensuring that prospective families, newcomers and long term members alike all feel welcome at shul events, this dynamic couple makes sure that all feel like part of our greater Oceanside community. Dora Chana currently serves on the shul executive board as treasurer and has served in other positions within Sisterhood and the GO all the while coordinating and leading various initiatives. Josh is very involved in many of the shul events and *chesed* programs, often seen taking photos of the events as part of our Social Media efforts. He also has taken on the important responsibility in maintaining and updating our shul *yahrzeit* boards. It is our honor to acknowledge them as young leaders in our community.

Please join me in wishing all our honorees *Mazal Tov*. A special thank you for the tremendous effort and countless hours put in by our Dinner Chairperson Kayla Kaye, Journal Chairmen Josh Abramowitz, Joel Felderman and David Groen, and General Chairmen Stuart Brand and Mark Burger, along with all the members of the various committees who have worked to make this night such a success.

## GUARDIAN

20 years ago  
In good old SKA  
a budding friendship formed  
And lasted to this day

Passed notes became texts  
Atlantic Ocean divides  
The bond remained strong  
Girls became brides

After one quick visit  
To our home with all the spills  
The Haars followed the Kessoeks  
And took their skills to Forest Hills

Long shabboses spent  
Risk and Taboo  
But we all moved away  
Each with plus two

Things changed again  
The Haars have persistence  
Kessoeks came to Oceanside  
Due to Haar insistence

After 8 years here  
Working hand in hand  
For family, friends, and community  
A well earned dinner was planned

Mazal Tov to Dora Chana and Josh  
Our friends through thick and thin  
We can't say how much we love you guys  
Thanks for everything!

Mazal-tov to

### **Suzi and Kal Tuchman**

a wonderful couple and dear friends who have dedicated their lives for so many years to our Young Israel.

May Hashem grant them many years of good health, peace, smachot and much nachas from their wonderful children and grandchildren.

With gratitude for all you've done...

*Rebecca and David Welner*

-----  
From the outset, our growth initiative goal was to identify and recruit families that were good hearted, grounded, had solid "Oceanside" values and were looking to make a positive and lasting mark on the community they chose to call home.

### **Dora Chana and Josh**

not only checked off each and every box on the list but exceeded our goals in ways we never could have imagined.

They exude goodness and have raised the bar dramatically with their acts of chesed, community spirit, hachnasat orchim and genuine caring and efforts on behalf of our YIO family and our community.

Words cannot do justice as to how proud I am of them nor how truly deserving they are to receive this honor.

May Hashem grant them arichat yamim filled with excellent health, bracha v'hatzlacha, overflowing nachas from their beautiful children Evie, Lea, Eli and Anni, and countless smachot in our midst... blessings they so richly deserve.

We are so grateful for your years of devotion  
and service to our shul.

To our dear friends, **Dora Chana and Josh**

To say that the two of you are deserving of this honor is an understatement. Since we've known you, you both have shown yourselves to be role models in every sense; modeling for the rest of us what it means to be engaged Jews, committed community members, and loyal friends.

Our community honors you today for your devotion to our shul and your work on its behalf. But we are thankful for even more –

We're grateful for the hours around your Shabbos table spent in laughter and debate, and for the warm environment you've created where our kids feel at home.

We're thankful for summertime concerts and Wednesdays on the beach, and for “dragging us” with you to sunnier climates because Josh finished tax season and everyone needs a break ;-)

You give everything your all and are our masters of fun.  
We look forward to many more years of watching our families grow alongside each other, with lots of laughter along the way.  
May these past 9 years be just the beginning.

moment we moved into Oceanside it became very clear

for all that you both do for the YIO as well as the  
Oceanside community. Among the countless things you

minute, when help is needed! You both are true leaders  
who somehow find a way to balance very demanding  
careers, raise a family and still give of your precious time  
to better the YIO and this community. The YIO and our  
community would not be what it is today without all your  
efforts, both public and plenty more behind the scenes.

We will forever be grateful that your incredible
