Our Guests of Honor

Rabbi Jonathan & Dr. Yael Muskat

Rabbi Jonathan and Dr. Yael Muskat joined the Young Israel of Oceanside leadership as Rabbi and Rebbetzin in 2004, and have held those roles in high esteem for the past 18 years. Prior to their move to Oceanside, Rabbi Muskat, who hails from Toronto, Canada, studied at Yeshiva University, earning a bachelor's degree, graduate degree and semicha. He also received his JD from NYU and worked at the well-known law firm of Fried, Frank, Harris, Shriver & Jacobson for 5 years. Ultimately, Rabbi Muskat understood that his passion was in the rabbinate and thus he switched careers, leading various congregations around the country, until he and Yael landed in Oceanside.

Yael grew up in Israel and then Silver Spring, Maryland and went to Stern College. She then received her master's degree from Columbia University and her doctorate in Clinical Psychology from LIU, C.W. Post. She also completed a Post Doctorate...
Leadership Fellowship and is presently the Dean of Mental Health and Director of the Clinical Counseling Center at YU.

Together in Oceanside, Rabbi and Yael Muskat have transformed the Young Israel of Oceanside community, in what was truly a perfect shidduch between Rabbi and Rebbetzin and kehilla. Along with his weekly shabbat drasha, Rabbi Muskat delivers engaging daily classes and shiurim. He is always ready to serve the community by adding lectures of any topic based on the needs of the congregation. He continually strives to enhance the kehilla’s davening, encourages all types of chessed activities and champions the shul’s commitment and love for Medinat Yisrael. Rabbi Muskat takes an active role in the community’s growth and development and expertly works with those in need. He is dedicated to teaching the youth a love of learning torah. He has organized a youth Mishna Yomit program, hosts youth Pirkei Avot classes and engages regularly with the teens through leibadik Friday night onegs. Rabbi Muskat is never one to miss a good kumzitz, collaborating closely on the Shabbat of Song weekends. His sense of humor always shines through in his pre-drasha jokes and in his annual, highly acclaimed Purim spiel. In his spare time, Rabbi Muskat teaches at Shulamith High School, writes a regular column for the Times of Israel on contemporary Jewish issues and serves on the Executive Committee of the Rabbinical Council of America.

In her role as Rebbetzin, Yael regularly hosts families for shabbat and yom tov meals and opens her home to a variety of events throughout the year, such as the Purim and Shavuot open houses. She enjoys giving the occasional shiur and was instrumental in initiating the Nach Yomi learning program for men and women in the community. She takes great pride in being part of a community in which different types of people can feel comfortable and where the values of family, torah and chessed are prioritized. Many times, she has acted as a sounding board behind the scenes. But most of all, Yael is known for being a source of guidance and support for the entire community.

Rabbi Muskat and Yael feel blessed to have raised their children in Oceanside. Their children Ahava & Adir, Netanel & Davida, Elisheva & Daniel, Leora, and Daniel and grandchildren Sophia, Akiva and Aviah are their pride and joy and continue to give them nachas on a daily basis. Judging by how often their kids return home, prepare shiurim for and engage in shul events, it’s safe to say that they too feel connected to and a part of the Young Israel of Oceanside community. The Muskats are humbled to be honored on their "chai" anniversary at YIO and all of us are truly fortunate to have them as our Moreh De’asrah and Rebbetzin.
Herb and Helene Wallenstein moved to Oceanside in October of 1973. Their very first shabbat in shul was quite eventful as it began with an emergency appeal for Israel's Yom Kippur War relief and was followed on motzei shabbat with the YIO Bazaar, one of the shul's biggest annual fundraisers at that time. Having learned first hand from his father's active role at the Queen's Jewish Center, Herb was eager to get involved in his new shul. He immediately helped coordinate the appeal and volunteered his services at the Bazaar.

Since that first shabbat, Herb's tireless work and dedication to the Young Israel of Oceanside has been unwavering. His leadership skills, tenacity and ability to get things done (and done well) led to his chairing nearly every shul committee and
project. The list is endless and includes the Bazaar, Journal Dinner, House, Fundraising, Israel Bonds, UJA, Melava Malka, Goods and Services, Rabbis’ contracts and even the Football pool. Additionally, Herb organized three YIO trips to Israel, co-chaired the first shul Renovation committee and single handedly raised the funds needed for the million-dollar Hurricane Sandy restoration project. He has chaired countless special tzedakah campaigns as well.

On the shul board for 46 years, Herb served as officer in a variety of different posts, culminating in a very successful 3-year presidential term. Soon after, he graciously accepted the position of Chairman of the Board, which he currently holds with great distinction. He has served in this roll for nearly 20 of the last 30 years, proudly being part of 17 administrations and working effectively with all three of the shul’s Rabbis. Many past presidents will tell you how critical Herb’s help and advice was during their terms in office.

Aside from learning Daf Yomi, Herb is also dedicated to enhancing the shul’s commitment to learning and teaching Torah by giving regular Pirkei Avot and Chumash classes, as well as a fascinating and insightful weekly Nach class. In addition to his duties for YIO, Herb has worked with and been honored by UJA, Israel Bonds, NCYI, Shaarei Zedek Hospital and Bar Ilan University, to name a few.

Herb and Helene, who is active in YIO as well, have accomplished a lot together. Their greatest pride and joy, however, are their children Andy & Lauren, Aaron & Ilana, Lizzy & Nathan and their beautiful grandchildren, Max, Kira, Noah, Nate, Rebecca, Yehuda, and Shalom.

Herb’s commitment to and love for our shul began on his very first shabbat in Oceanside. We are all the truly blessed beneficiaries of his never-ending devotion and tireless work on behalf of our YIO.
Greetings from the Rabbi

Yael and I are grateful to have been selected as the Guests of Honor at YIO’s 66th Annual Journal Dinner. We also extend our wishes of mazal tov to Herb Wallenstein, the Hakarat Hatov Awardee this year. We thank all those who worked tirelessly to make this event such a success: Sara Berko, Stu Brand, Kayla Kaye, Yosef Galanti, Jeremy Grysman, Joy Benzaquen, Yehuda Kessock and the members of their various committees. We would also like to thank Lennie Mauskopf who so graciously agreed to present us with our honor this evening.

We were introduced to Avraham Avinu in this past week’s parsha. According to Chazal, Avraham Avinu was 48 years old at the time when the Tower of Bavel was built, and a midrash states that Avraham was 48 years old when he recognized God for the first time. As such, there is a thematic connection between the story of the Tower of Bavel and Avraham’s selection. It seems that the story of Bavel was the event that turned Avraham away from paganism to the faith of ethical monotheism. On the one hand, we can argue that the sin of the Tower of Bavel was that it was a pagan shrine and a challenge to God’s authority, and this act of defiance is what convinced Avraham to seek out another faith. However, in Parshat Vayera, Avraham is known as someone who will command his descendants in the ways of justice and righteousness; the Gemara in Beitza states that the defining characteristic of Avraham was mercy and empathy, so much so that anyone who does not possess these character traits is not a descendant of Avraham. Maybe, then, the sin of the Tower of Bavel that drove Avraham to ethical monotheism was the sin of totalitarianism, as explained by the Netziv, when the leaders of the city built a tower, a watchtower to spy on those in the city to suppress any dissent. Once there is no room for individual expression and individual dissent in this society, then it is no longer a society of righteousness and justice. At this point, Avraham decides that he no longer wants to be a part of this society, so he turns to God.

Yael and I are fortunate to lead a community that is centered around these same values of righteousness and justice. As we have forged friendships and relationships with our beloved YIO community, we have seen first-hand how its members juggle the complexities of life with so much compassion and sensitivity. I have had the privilege of working with so many people who have made our community one unlike any other because every decision that our leadership has made centers around values of Torah and chesed. It has been so gratifying that these values have spanned all of the administrations and generations with which I have been fortunate to work. It has been such a pleasure to work with shul presidents Michael Samter, Mendy Saidlower,
David Warshaw, Leon Winchel, Harley Greenbaum, a”h. Sandy Glaser, Ben Lipschitz, Yehuda Kessock and Benji Alper, and their respective administrations. As chairmen of the board, Lennie Mauskopf and Herb Wallenstein have provided steady leadership throughout my tenure. I very much treasured working with the dedicated women who led Sisterhood for so many years in our community.

When I transitioned from a legal career to a career in the rabbinate, I initially assumed that my primary role would be to teach Torah. However, this community has been so much more than a platform for shiurim and drashot. We truly have become a family. We have endured Superstorm Sandy, a COVID pandemic and the challenge of attracting new active members to our community, and we have experienced countless smachot and unfortunately, some tragedies, as well. It goes without saying that we wouldn’t be here with the newer generation of Oceansiders without the leadership and dedication of David Welner. Not only did Dave initiate a successful plan to rejuvenate our community, but he modeled our Oceanside values for the new families in a very impactful way.

Yael and I feel fortunate to share this evening with Herb Wallenstein, our Hakarat Hatov Awardee. We owe him a tremendous debt of gratitude on behalf of the shul, but I also owe him a tremendous debt of gratitude personally for helping me to succeed in this community. Herbie has always been a sounding board to help guide me on how to lead the community in an effective manner. I put a lot of trust in him because he is one of the few people in our community who has a broad understanding of every aspect of our shul community. He learns daf yomi and nach yomi, attends shiurim and even gives shiurim. He attends daily minyan. He has been responsible for shul fundraising for many years and has trained the next generation in this important task. He has been involved in the decision-making of almost every major issue facing our community throughout my tenure here. He is someone who attends all shul events whether they are primarily attended by the newer members or the long-term members and therefore he has a strong, warm relationship with every demographic of the shul. He projects concern for kavod ha-Rav, kavod ha-briyot, halachic values, unity and sensitivity towards every shul member. It is no wonder that he has been an invaluable source of wisdom for me for the past eighteen years. For his leadership and his friendship, I would like to thank Herbie and wish him a mazal tov on his well-deserved honor, as well as a mazal tov to his wife, Helene, to his children, Andy and Lauren, Aaron and Ilana, and Lizzy and Nathan, and to his grandchildren, Max, Kira, Noah, Nate, Rebecca, Yehuda, and Shalom.

וֹשֵׁה לַבֵּן, וָקֹהֵם לוֹ חָרֶם
Greetings from the President

Welcome to the 66th Annual Dinner of the Young Israel of Oceanside. This year we are privileged to pay tribute to Rabbi Jonathan and Dr. Yael Muskat, our Guests of Honor, and to Herb Wallenstein, our Hakarat Hatov Awardee.

Rabbi Jonathan and Dr. Yael Muskat have lived in Oceanside for 18 years as the Rabbi and Rebbetzin of our community and we are pleased to be able to celebrate with them on this “chai” anniversary. If I were to try and sum up their tenure in Oceanside over these many years, the words that come to mind are "above and beyond." Rabbi Muskat and Yael give shiurim and are involved in chesed, far beyond what anyone could have asked or expected them to do. They open their home to community-wide events and host Shabbos guests, modeling for the rest of us what it means to be community minded. After Superstorm Sandy, Rabbi and Yael Muskat spent countless hours rallying our community and providing much needed compassion and chizuk, despite their own house having been damaged. The Muskats have shared their smachot with all of us, and have been by our sides in challenging times. As a couple and as individuals, Rabbi and Yael Muskat are growth minded; leading by example, they encourage our community to dream big and achieve more—I look forward to continuing to work with them.

Herb Wallenstein has lived in Oceanside for almost 50 years. During that time Herb has served on almost every committee in the shul and has held nearly every executive board position, including three years as President and twenty years as Chairman of the Board. In addition to the countless hours of work that he does for our shul and community, he has devoted himself to the study of Tanach, and gives a weekly Nach shiur to our members. Herb is someone who is consistently willing to step up to do the tough jobs, which others shy away from. His every move is made with the best interest of the shul in mind, and I personally am so grateful to have been able to witness him in action and learn from his ways.

Please join me in wishing all our honorees mazal tov. A special thank you for the tremendous effort and countless hours put in by our Dinner Chairpersons Sara Berko, Stuart Brand and Kayla Kaye, Journal Chairmen Yosef Galanti and Jeremy Grysman, our Chief Editor Joy Benzaquen, and all the members of the various committees who have worked to make this night such a success.

Benji Alper
Greetings from the Hakarat Hatov Awardee

Dear Friends,

My remarks tonight are in two parts: an oral response expressing my personal feelings and this written letter expressing my hakarat hatov to the many people who have worked with me over the past 49 years at the Young Israel of Oceanside. My apologies if I have left anyone out, but it is difficult to remember all the events and all the people that have had a part in what turned out to be my almost daily involvement with the shul for nearly fifty years.

I must first thank my wife, Helene, and children Andy, Aaron and Lizzy who really paid the ultimate price for my involvement with the shul. I simply did what I wanted to do, but the time I took really belonged to them. Thank you Lauren, Ilana and Nathan and my grandchildren, Kira, Noah, Nate, Rebecca, Max, Yehuda and Shalom, for learning to live with my shul involvement. I thank my parents, Dina and Morris Wallenstein, z”l, for starting all this. Their exemplary roles in the early development of the Forest Hills Jewish community many years ago was my inspiration to get involved in many Jewish causes.

I thank Benji Alper and his administration as well as Yehuda Kesssock, the previous president, for bestowing this Hakarat Hatov Award upon me. I thank the Dinner chairpeople, Sara Berko, Stu Brand and Kayla Kaye, the Journal chairpeople Yosef Galanti and Jeremy Grysman, and all their committee members. Thank you Dave, Evan and Bea for working with these committees.

It is a special honor for me to be honored along with Rabbi Muskat and Yael. I value the special friendship that I have had with each of them. I have watched the shul grow numerically and spiritually for the past 18 years under their leadership. The Rabbi’s dedication is always out there to get one more person, man or woman, to learn, or to join a class or minyan. Yael has the unique ability as a Rebbetzin to make people feel good and make them feel that they are valuable members of our community.

I have had the opportunity to serve as Chairman of the Board under all three YIO Rabbis, Rabbi Blech, Rabbi Schwartz and Rabbi Muskat. I owe a debt of gratitude to all three of them for inspiring me to be a better and more learned Jew. Sondra and Rabbi Moshe Gottesman, z”l, taught all of us hakarat hatov to build each person up, to do chesed and give tzedakah. I learned the art of fundraising from Rabbi Moshe Gottesmsn, z”l, and from Joy Benzaquen’s father, David Kolatch, when he was the administrator of HAFTR.

I was fortunate to serve the shul during the tenure of two dedicated gabbaim, Eli Levy, z”l, and Kenny Schrier. They were both extremely sensitive to everyone’s needs. I was also very thankful to have Richard Joel and Daniel Stroock as Youth...
Directors during my years as President and Chairman of the Board. They both have served as role models to our Oceanside kids.

I thank the many past presidents of the shul, including those who are no longer with us, for being mentors for me and sharing their visions of what a community kehila should be. Special thanks to Howard Turner, z”l, and Lennie Spector, z”l, for encouraging me to get involved, appointing me to various chairmanships and selecting me as an officer. I thank all the presidents of the seventeen administrations that I served under for their trust and friendship. I thank Dave Fischberger for selecting me as his First Vice President. Thank you to Leon Winchel, who brought me back into his administration as a vice president after I thought I had retired. Thank you Sandy Glazer for asking me to serve a second time as Chairman of the Board. Thank you to Joel Felderman for all his financial advice and insights. Joel led us through all the financial hurdles to acquire COVID relief funding. A special thank you to Sy Endlich who served as Chairman of the Board during my three year presidency, and who taught me about patience in leadership and diplomacy. Sy also tirelessly led the shul's effort in collecting the maximum amount possible from our insurance carriers during Superstorm Sandy.

Without the help and friendship of Evan Torczyner and Dave Welner, I would not be receiving this honor in this hall tonight. Evan and Eva Torczyner inspired me to go to daily minyan, and to study Tanach and Talmud on a daily basis. (Even my mother told me you were the source of these achievements!) Dave, without you, this dinner would be taking place in the YIO ballroom with maybe 4 tables of guests and all of us talking about the good old days. Instead, we are here tonight with 20 tables and over 120 new families in our shul. Your single handed efforts led to our growth and your single handed leadership led to the redesign and reconstruction of our shul after Superstorm Sandy.

I thank Evey and Mike Teigman for their close friendship and for putting up with me and my shul involvement. I thank you for all the time you waited for me to deal with shul politics every Shabbos till we could walk home from shul. I thank Bea and Lennie for their friendship and for never retiring from shul life. I have served with Bea on more shul committees and events than anyone else in YIO. I have shared with Lennie being Chairman of the Board for the last 30 years. I don’t think a week has gone by in the last forty years that we didn’t discuss a shul issue. I am indebted to Barry Openden for serving so many years as the Catering Committee Chairman, managing all the kiddushim, seudot shlishit and other events. Barry was the first one to suggest the Simcha Kiddush idea to me.

I was privileged to serve as Chairman of the Board during Ben Lipchitz’s four years as YIO President. Ben and I became close friends after serving together for many years on many shul projects and fundraising events. Ben’s dedication to our shul and his many acts of chesed and tzedakah are truly inspirational to me.

I only really got to know Barry Boshnack about 10 years ago when Superstorm Sandy hit the YIO. I never met a person with so much technical knowledge who can fix anything and everything. Few people know how much time Barry spends at the shul
fixing electrical, plumbing and roofing problems. He is everyone’s go-to person when there is a problem. What is most inspiring about Saralee and Barry is how much they do to help the more elder members of our shul.

I also thank Barry Boshnack and Sandy Glaser who were instrumental in securing a number of huge financial grants for the shul. I am also eternally grateful to Stu Podell who for over forty years has instructed me on the dance floor at every shul simcha—when to use my right foot and when to use my left foot. Sorry for all the times I messed up and stepped on your shoes.

I have been fortunate enough to have gained the friendship of a large group of new young members, who are now entering the reigns of leadership. I have enjoyed working with Yehuda Kessock, Debra and Benji Alper, Dora Chana Haar, Mark Burger, Nechama and Ovadya Aryeh, Leah Klayman, Rivky Markowitz, Seth Bekritsky, David Goldstein, Chaim Davis and Dani Eisner. I would also like to thank Janet Awerbuch, our office manager for her attentive and anticipatory assistance. Thank you Alicia Martinez for your dedicated service.

Thank you all for making my time at Young Israel of Oceanside so worthwhile.

Dearest friends,

Shalom and greetings from Ramat Bet Shemesh, Israel.

Chani and I were pleased to receive the information regarding the upcoming annual dinner and the richly deserved honorees,

**Rabbi and Mrs. Muskat**
and longtime friends
**Herb and Helene Wallenstein.**

Words cannot adequately express the level of goodness, generosity -- in spirit and deed -- of your legendary Board chairman, and his wife Helene, who so warmly welcomed our family into the community many years ago. They saw us through some of the most exhilarating and some of the most trying times that could be experienced in the context of both personal and congregational life.

Their warmth, friendship, and caring support did not only extend to our kesher, but to the entire YIO community with love, patience, humor, and utmost dedication.

We wish them, their children, and grandchildren many, many good years of health, nachas, simcha, limud haTorah, and opportunities to continue the zikui haRabbim that they have always pursued.

About them we can say, 

עוד ינובון בשיבה דשנים ורעננים יהיו

I also wish your esteemed Rabbi Muskat, and his Rebbetzin, many healthy, joyous, productive years ahead in all of their efforts on behalf of the Oceanside kehilah; l'hagadil Torah u'leha'adirah.

We appreciate your friendship.

Shalom u'bracha,

**Rabbi Jay Yaacov and Chani Schwartz**

Mazal Tov To the Hakarat Hatov Awardee,

Herbie Wallenstein

Herbie, you and Helene mean so much to us and to our whole family. You have been our sage advisors, dear friends, learning partners and teammates in the Great Oceanside Race, thus making us the Wallycats! We are so fortunate to have you in our lives.

You are steadfast in your support and care for us. You have been there for our family in happy times and sad times, as well. You make sure to attend all our family semachot, often changing your schedule so that you can celebrate with us. You have made sure no birthday is forgotten (even someone’s 50th!) and no one’s special moments go unrecognized, whether it’s a graduation or a promotion!

You have taught us by your example about how to be devoted to community. You have led a life of selfless service and hard work for the Young Israel of Oceanside. We are inspired by your love of learning and you incredible Torah knowledge. You have become a Torah teacher par excellence and we couldn’t be prouder.

Uncle Herbie and Helene, you have become part of our family. We have rejoiced in watching your family grow and we wish you and your beautiful family much health, happiness and nachas always.

With love,

Celebrating 66 Years
It is especially gratifying to be honored with the Hakarat Hatov Award this year along with

**Rabbi Jonathan and Yael Muskat**

our Guests of Honor.

It has been our privilege to be both your Congregants and friends these past 18 years. We appreciate all the Torah and midos that you have both instilled in us.

We wish both of you good health, happiness and tremendous nachas from your children and grandchildren.

May you continue your wonderful work for our Shul and Klal Israel.

**Helene and Herb Wallenstein**
PILLAR
Herby,

Every time someone calls you, I ask, "Why did they call YOU?" It's really a rhetorical question.

They call Herby because they feel unheard. They call because they want something done. They call because they don't know who else to call. Because Herby can understand both sides of a point. Because he can broker a deal. Find a middle ground. Help with the solution. Become an intermediary.

You are the thread that connected 3 Rabbis to our community. And in the process, you learned new skills. You learned to write essays and make speeches and do research and give classes, raise funds...the things you never learned in school.

We're thankful to Hashem for these gifts. I am thankful for you. Let this wonderful ride continue
"ad me'ah v'esrim!"

With all my Love,
Helene
Mazal Tov to our dear **Rabbi and Yael Muskat**.

As our esteemed Morah De’asrah and Rebbetzin, you have such an enormous impact on all our lives. You teach by example and inspire us daily with your wisdom, humility, patience and kindness. Your enthusiasm is contagious, your energy is boundless, and your creativity motivates us all to be the best Torah true Jews we can be. Rivki and I feel most fortunate to have you as our Rabbi and Rebbetzin and as our very dear friends.

Mazal Tov to **Herb Wallenstein**.

I’ve had the good fortune of having Herb as a close friend for 45 years. In that time, I have seen many people work for our YIO, in varying roles, including the presidency. I can’t, however, remember any that have sacrificed and given of themselves for so many years, so consistently, and to the extent Herb has. He never tires, always thinks of ways to enhance the quality and wellbeing of our shul and community and then works tirelessly to actualize those ideas.

We are all truly blessed to have Rabbi and Dr. Yael Muskat as well as Herb in our midst. Our YIO and community benefits immeasurably as a result of the integral role they play in our lives.

May Hashem bless them and their families with good health, arichat yamim, much nachat and countless smachot.

**Nechama and Ovadya Aryeh**
Before we moved to Oceanside, we had never felt like we were part of a community. That immediately changed when we joined the Young Israel of Oceanside, and we feel that the biggest piece of that puzzle was how quickly we developed a relationship with you both.

We look forward to many more years in Oceanside and the YIO with you at the helm.

We met you both in our home when you joined us for lunch during your “probe” weekend. 18-month-old Leora was with you and one thing was certain about her. She loved Challah!!! Your warmth and approachability as a couple sealed the deal for us, although Myrna was set on you Rabbi as a member of the Rabbinical Selection Committee during that initial impromptu interview. Only one significant comment was written on the back of your resume: No Ego!

Rabbi and Yael, you are a power couple, each leading us in your own inimitable style. You are excited about Oceanside and the special role you each play in it. You are not just leaders and educators to the entire community, you are also friends and supporters just as were the original Biblical Yonatan to David and Yael to Devora. Most importantly, you have raised a wonderful family here in our midst.

We wish you much continued joy in Oceanside and in all your endeavors.

With great pride and joy, I wish you Mazal Tov on this meaningful milestone of celebrating 18 years as Rav and Rebetzin of this wonderful shul, Young Israel of Oceanside.

**Jonathan,** your vision for the shul has borne fruits as the community has grown to a vibrant, dynamic, and continuously growing shul, where the children have wonderful great role models. Everything you do is with great passion and devotion for the good of the *Klal* and with great care for the individual needs of each and every member. You exemplify “*lilmod* and *lelemad*”, to learn and teach, and have inspired many to do the same in various innovative ways. Your spiritual guidance and strong Torah scholarship are exemplary. Your love and devotion to communal service is legendary.

**Yael,** you combine your professional expertise with a Torah perspective. You love to share your passion for learning with others in the community. You enjoy hosting open houses for *chagim* and welcoming families for Shabbat and *Chagim* meals. Many of your friends and family, members of Oceanside community and Yeshiva University, have greatly benefited from your listening ear and wise counsel. You are a true “*Eishet Chayil*” as you support Jonathan and your children, while also accomplishing so much in your own career as Dean of Mental Health and Wellness and role as a Rebbetzin.

Together you make a great team and share a deep love for Torah, Eretz Israel, and community. But above all, you both have been great role models who support and inspire your children, parents, and extended family.

כּל מי שׁעוסקין בּצרכי ציבּור בּאמונה, הקדושׁ בּרך הוא ישׁלם שׂכרם

A hearty Mazal Tov to **Herbie** for all your years of service to the shul and your extraordinary dedication in leading the *Nach Yomi* study group in Oceanside over the years. I enjoyed taking part in it! Continue your meaningful work for many years to come.

עשתו클רrebbe,וקנהקלרחבר
A girl with a perm met a very thin guy a long time ago,
On a program aimed at helping their fellow Jews grow

In their love for Hashem and the Jewish tradition,
Even back then, they were staunchly passionate about fulfilling their mission.

Since then, this couple has never lost their zeal and fire,
Which is what makes them a couple we all look up to and admire.

After putting in the toughest years,
Jonathan left law and never looked back,
While Yael supported and encouraged him, (picking up much of the slack).

In this power couple, don’t forget Yael-she is very wise.
She changes countless lives through her counsel and advice.

They finally landed in Oceanside (after a few other stops along the way).
And they have grown the community, more and more, each day.

Growing up as your children, life wasn’t always a peach,
Since we knew your expectations; that our potential we must reach.

But your warm care and support, was never for a second in doubt,
Love, loyalty, and humor-that’s what our childhood was about.

You taught us how to talk, how to think, how to learn
To piece together thoughts, to honestly discern.

We learned the value of humor, that lighthearted fun can turn any weather,
That to be truly happy, all we need is each other.

It is impossible to thank you for everything you have done, it’s a lot.
But growing up with you as parents, is the greatest blessing we ever got.

Thank you for everything. Love your biggest supporters,

Rabbi Muskat, Yael, and Herb,

Thank you for inspiring us to bring our talents to the community through service on the board, committees, at events and fundraisers, and the Mikvah leadership.

Your help and guidance welcoming us into the community in Sept 2012, and then out after Oct 2012's Hurricane Sandy, and then back again in 2013 was a clear measure of your leadership, and showed us just how special our community is, so early in our time here.

We look forward to continuing learning and growing together with you, and the rest of the Oceanside community!

We consider ourselves truly fortunate to be members of the Oceanside family. The Young Israel of Oceanside is a strong and viable shul that is a credit to the many members who participate actively. As we all know, however, to really thrive and grow as a community requires talented and consistent leadership.

**Rabbi and Yael Muskat** have provided, and continue to provide, spiritual leadership with warmth, caring and a sense of connection that sets the tone for an equally warm and caring community. They are a wonderful team and a duo worthy of emulation.

**Herbie** is a powerhouse. He has been intimately involved in virtually every aspect of the shul and community for decades. He is consistently competent and remains a steady, thoughtful and dedicated leader whose guidance over the years has been invaluable.

Rabbi and Yael Muskat came to us many years ago.

They revitalized our community with their youth, their enthusiasm, their commitment to our heritage and their joy.

We have watched them grow as they have grown us.
We have shared sorrows and good times.

They have always been there for us, always.

So we say thank you with great affection and respect.
