

Dear Parents,

Congregation Shaar Hashomayim has a website on which we post pictures of our students in regular school activities. Likewise, the synagogue publishes and distributes a news bulletin, in which pictures may also be printed. From time to time, we might use photos of your children in printed advertising.

Please note: names of students will never be attached to pictures

We ask that you indicate your preference whether or not you wish to have your child's image appear in print or on our website.

We thank you for your cooperation,

Sari Wisenthal-Shore
Director of Netivot: Experiential Jewish Education
