

COH Membership Commitment 2021

We are so eager to welcome you into our community -- to share the wealth of spiritual, educational, and practical resources we have created together, and to welcome your contributions to our tapestry. Our members build and sustain our community in many ways - with time, talent, love, and, yes, with dollars. We ask each member to make a financial commitment to support our mission and our community. No person will be turned away for financial reasons. If you are unable to make the recommended commitment, please contact our Executive Director, Jason Parker, at Jason@or-hadash.org for assistance to modify your commitment.
