OR HADASH BINGO

בינגו אור חדש

In celebration of our Bar Mitzvah Year, we are pleased to inaugurate a new and innovative way to mark your connections (individual and family) to our *kehillah kedosha* (holy community).

To participate, choose 18 items from the list on the back of this page and then, as you do them, fill in each box. Please take pictures and share them with us on Facebook using the hashtag #COH13!

Every individual/family who completes the full Bingo card and returns it to the office will receive a commemorative Or Hadash car magnet! Feel free to complete more than one card!
