

## ELLA ROSE JEFFRES' BAT MITZVAH BOOK DRIVE

Please donate lightly used books to Georgia schools in need through Reader to Reader. The books should be of interest for children grades K-12, and in relatively good condition. By donating one book, you could improve the childhood education of the many children that will read it.

*A bin is available at the synagogue for your donations.*

Thank you in advance for supporting my Bat Mitzvah Project and the libraries of Georgia Public Schools who are always in need of and up to date, good quality books.
