

# Erev Rosh Hashanah – Day II “Drive-In” Parking Lot Service

**Saturday, September 19 – 7:30 PM**  
in the Ohev Shalom parking lot

## **Here’s how it will work:**

- 1. Download the “CiNet” app** (Apple or Android) to your smartphone or tablet. (NOTE: Do NOT attempt to connect to the internet or wifi with the app yet!)
- 2. Remember to bring *Mahzor Lev Shalem* (our High Holiday prayer book)** or to purchase and download the electronic version (see <https://tinyurl.com/COS-HHD-book> for more information)
- 3. The synagogue building is closed**, so please use the restroom at home
- 4. Drive to Ohev Shalom on Saturday evening, September 19** – you’ll be directed to the designated parking area. Please follow all instructions for parking, leaving an empty space between vehicles.
- 5. In the parking lot, before the service begins, connect your device’s wifi to “Wireless1”**
- 6. Open the CiNet app and select “Channel 1”** – you’re ready to receive the audio for the service. (If you can connect your device to your car radio via Bluetooth, you may get better sound quality.)
- 7. This service will also be available via the Ohev Shalom Livestream channel** (livestream.com/ohevshalom) and on **Facebook Live through the Ohev Shalom Facebook page** (facebook.com/ohevshalomorlando). The Livestream can also be viewed on the **Ohev Shalom website home page** (ohevshalom.org).

## **\*\* IMPORTANT WEATHER NOTICE \*\***

**In case of inclement weather**, including rain, the Drive-In Parking Lot Service will NOT take place. We will shift indoors to a **VIRTUAL-ONLY service**. We will let you know **by 12:00 noon on Friday, September 18**, if the Drive-In Service is a “go” or not. **Watch your email, Ohev Shalom social media, and the Ohev Shalom Facebook and website home pages.**
