Torah Insights

“When you enter the land of Canaan that I give you as a possession, and I inflict an eruptive plague upon a house in the land you possess (Metzora 14:34).”

Commenting on why the affliction of *tzara'at* (a spiritual disease with similarities to leprosy) also befalls inanimate objects such as one's home, the chassidic master, Rabbi Moshe of Kobrin, refers to a *gemorah* in *Arachin* (16a) which states that one of the spiritual sins which cause the affliction of *tzara'at* is the sin of arrogance. Considering that the person's luxurious possessions may have spurred these feelings of arrogance and superiority over others, the afflicted home and personal possessions were also infected as a way of humbling the person and thus hastening the recovery.

MAOT CHITIM (“Money for Grain”) PASSOVER CAMPAIGN

It is a millennia-old custom to contribute generously to the poor in advance of Passover, to enable every Jew to celebrate Passover with adequate provisions. Originally, grain was distributed so that those in need could make matza for their families. Today, money has replaced wheat, and Fifth Avenue Synagogue has become an important source of support to needy Jews from the Bronx to Sderot. Please give generously to our “Maot Chitim” Passover appeal. Please make checks payable to “Fifth Avenue Synagogue Trust Fund” and mail it to the Synagogue office.
