Shabbat, October 6, 2018 - Tishrei 27, 5779 Shabbat Mevorchim
Parshat Bereishis (Pg. 2) *The Eruv is Up this Shabbat*

Torah Insights

"Blessed are You, Lord our G-d, King of the Universe, who creates light and creates darkness, makes peace and creates all." (Morning Prayers)

Many commentaries point out that this blessing does not say that **G-d created light and darkness**, rather that G-d *creates* light and darkness. This formulation is meant to highlight the fact that creation is an ongoing process; G-d "creates" the world anew each and every day.

The great Chassidic master Rabbi Yitzchok Meir of Gur, known as the Chidushei Harim, commented that just as G-d "recreates" the world every day, so too each of us should follow G-d's lead and perform something new in our life each and every day.
