Plot Costs and Financial Policy Guidelines: Non-Members

CBH burial plots are available for purchase by Jewish individuals who are not members of CBH.

Costs and financial policies

Payment in full for a single plot at time of purchase: \$5,100 (\$3,000 + \$2,100 non-member surcharge)

Optional payment plans:

\$5,300 total, financed over 3 years

\$5,500 total, financed over 4 years

\$5,700 total, financed over 5 years

Optional payment plans require an initial \$1,000 deposit.

Failure to pay according to terms results in forfeiture of the plot, which reverts to CBH with no refund of any prior payment(s). (At the discretion of the Congregation's Executive Director, additional time may be given in cases of financial hardship.) Plots purchased by non-members for immediate use must be paid for in full.

Plots that have been paid for in full by a non-member may be sold by the purchaser only to a CBH member (plots may not be resold to other individuals who are not members of CBH). The sale must be reported to CBH. CBH will not offer refunds for any plots that have been purchased but are no longer desired.
