Ani Maamin by Abbie Strauss

Ani Maamin, b'emunah shlei-mah
Ani Maaminah, b'emunah shlei-mah
I believe in the sun
Even when its not shining
And I believe in love
Even when there's no one there
I believe in God,
Even when He's silent
I believe, I believe, with perfect faith

Ani Maamin, b'emunah shlei-mah
Ani Maaminah, b'emunah shlei-mah
I believe through any trial
There is always a way
But sometimes in this suffering
And hopeless despair
My heart cries for shelter,
To know someone's there
But a voice rises in me, saying hold on
My child, I'll give you strength
I'll give you hope. Just stay a little while.

Ani Maamin, b'emunah shlei-mah
Ani Maaminah, b'emunah shlei-mah
May there someday be sunshine
May there someday be happiness
May there someday be love
May there someday be peace.

May there someday be sunshine
May there someday be happiness
May there someday be love
May there someday be peace

Barechu - Am I Awake? By Noah Aronson

Ya la lai lai.....
Am I awake? Am I prepared?
Are You listening to my prayer?
Can you hear My voice? Can you understand?
Am I awake? Am I prepared?

Ya la lai lai.....

Ba·r'chu et Adonai, ha·m'vo·rach!
Ba·ruch Adonai ha·m'vo·rach l'o·lam va·ed.
Praised is Adonai, the blessed One, forever and ever.

Shema & Love Adonai Your God- Friedman

Shema Yisrael Adonai Eloheinu, Adonai echad.
Baruch shem k'vod malchuto l'olam va-ed.

And You shall Love by Debbie Friedman

And you shall love Adonai your God with all your heart
With all your soul and with all your might
And these words which I command you on this day
Shall be in your heart
Shall be in your heart

And you shall teach them diligently unto your children
And thou shall speak of them when you sit in your house
When you walk by the way

And when you rise up
And when you lie down
And when you lie down

And thou shalt bind them for a sign upon thy hand
And they shall be for frontlets between thine eyes
And thou shalt write them on the doorposts of thy house,
And upon thy gates, and upon thy gates

That you may remember and do all of My commandments,
And be holy unto your God, unto your God, unto your God

Mi Shebeirach

Mi she·bei·rach a·vo·tei·nu
Meh·kor ha·bra·cha l'i·mo·tei·nu
May the Source of strength
Who blessed the ones before us
Help us find the courage
to make our lives a blessing and let us
say, Amen.

Mi she·bei·rach i·mo·tei·nu
Meh·kor ha·bra·cha la·ah·vo·tei·nu
Bless those in need of healing
with refuah shleima.
The renewal of body,
the renewal of spirit
and let us say, Amen

Ldor vador

We are gifts and we are blessings,
we are history in song
We are hope and we are healing,
we are learning to be strong
We are words and we are stories,
we are pictures of the past

We are carriers of wisdom,
not the first and not the last

L'dor vador nagid godlecha
L'dor vador... we protect this chain
From generation to generation
L'dor vador, these lips will praise Your name

Looking back on the journey
that we carry in our heart
From the shadow of the mountain
to the waters that would part
We are blessed and we are holy,
we are children of Your way
And the words that bring us meaning,
we will have the strength to say

L'dor vador nagid godlecha
L'dor vador... we protect this chain
From generation to generation
L'dor vador, these lips will praise Your name

A Warm Blanket - Healing Service

Shower the People

You can play the game and you can act out the part
Though you know it wasn't written for you
But tell me, how can you stand there with your broken heart?
Ashamed of playing the fool

One thing can lead to another
It doesn't take any sacrifice
Oh, father and mother, sister and brother
If it feels nice, don't think twice

Just shower the people you love with love
Show them the way that you feel

Things are going to work out fine if you only will
Shower the people you love with love
Show them the way you feel
Things are going to be much better if you only will
You can run but you cannot hide
This is widely known
And what you plan to do with your foolish pride
When you're all by yourself alone

Once you tell somebody the way that you feel
You can feel it beginning to ease
I think it's true what they say about the squeaky wheel
Always getting the grease

Just shower the people you love with love
Show them the way that you feel
Things are going to work out fine if you only will
Shower the people you love with love
Show them the way you feel
Things are going to be much better if you only will

(Shower the people you love with love
Show them the way that you feel)
You'll feel better right away
Don't take much to do
Sell you pride
They say in every life
They say the rain must fall
Just like pouring rain
Make it rain[x2]
Love, love, love is sunshine
Oh yes
Make it rain
Love, love, love is sunshine
Yeah, all right
Everybody, everybody

Yizkor Service

Love Love Love by Josh Goldberg

When my words were still unclear, you were my mind reader
and when I could not face my fears, you were my cheerleader
when I took the path you didn't understand,
you still stood by me and held my hand
'cause you love, love, loved me

When I tore holes in my clothes, you were my dreamweaver
and when my friends became my foes, you were my last believer
and when I forgot the steps, you were my ballroom dancer
and when I failed to do my best, you were my second chancer
I've done things I thought I could never do
and I found the strength because of you
'cause you love, love, loved me

When we needed you to fight, you were Muhammad Ali
and you fought with grace and might, 'til you could barely breathe
now you're safe in God's embrace
a treasure that, we can't replace
and we love, love, love you
and we love, love, love you...and we love, love, love you

Mourning into Dancing by Debbie Friedman

You turn my mourning into dancing so that my soul might sing to you
So that my soul sings to you
And it not be stilled

Chorus:

Oh God, my God, forever I will thank You (2x)

Odeh kah!

Now I sing praises to the holy One

Who lifts me up when I have fallen

And I cry to You to heal me

And You have answered all my prayers

I ask You to be gracious

Forgive me Adonai

I call to You to help me

And You supported me with joy
