Mah nishtanah ha-shanah ha-zot mi-kol ha-shanot?

Why is this year different from all other years?

In all other years, the sukkah is on the lawn in front of the building,
but in this year the sukkah is in the parking lot?

In all other years, we sit only at tables in the sukkah, but in this year
we can also sit in our car?

In all other years, we reserve food and gather for many events in the
sukkah, but in this year, we can only reserve space?

In all other years, some families eat separate and some families eat
together, but in this year, we will all eat separately?

B'seder, B'seder, Okay, Okay ... We know why this year is different from all other years.

But does that necessarily mean we know what to do with these differences?

Of course not!

This special issue of the bulletin will help explain the changes to
this year's Sukkot celebrations.

A Message from Lenore Asbel, Synagogue President

Last year when I spoke to the congregation over the High Holidays, I spoke of resiliency and I ended with the following statement: "While I pray that as a community, a country, and a people, we have less adversity to weather, my hope is that when we are faced with adversity we have the resilience to end up stronger on the other side."

Clearly, my wish for fewer challenges did not happen. However, my hope for our collective resilience has proven to be nothing short of extraordinary! I do not know of a single person who has not been affected by the COVID pandemic. The synagogue, as an institution and as a community, has suffered. Many of our members and staff have suffered financially. Many have suffered loss of a loved one and most of us have had some emotional struggles during these months. However, from my vantage point as President of this synagogue, I can assure you that I have witnessed our resiliency.

Having been reminded of the Torah portion Ki Tavo in which we read about blessings and curses, it is traditional to read the curses in a hushed tone and the blessings out loud. So, while it has been a rough year, I think we should speak the blessings out loud.

- ◊ At the beginning of March, we signed a contract with our wonderful Cantor Lizzie Shammash. During the High Holidays you have had many opportunities to hear Cantor Shammash share the liturgy of the season; this is a blessing.
- ◊ In May, we held a successful online Ida S. Mandell event with Dr. Ruth Westheimer, who was good humored and shared her story and advice in a welcomed light hearted fashion and raised much needed funds for the synagogue. This was a blessing.
- ◊ Since we closed our building, the entire staff and clergy team has worked tirelessly to create a significant online community with daily minyans – often with greater attendance than we have had in person, enthusiastic multiple teaching sessions; Their hard work and the resulting online minyans have been blessings to our community.
- ◊ Over the past several months, we have had multiple task forces working on plans to open the preschool and to create a religious school experience that is meaningful. While we will likely be running both schools at a deficit this year, they are an important part of our community. There have been a great number of people involved to help make this happen. Just a few weeks ago, preschool parents volunteered to put together outdoor tent structures so that there can be outdoor classes.
- ◊ Thanks to the Hineni Campaign, another blessing is the Gringlas/Greenberg courtyard which was completed before the High Holidays last year. We have begun to use this beautiful space for some limited in-person services and activities. I personally have found this space a blessing.

- ◊ The biggest blessing is our community. Our Adath Israel Family gives of our time and our resources. Volunteers and our dedicated staff have regularly checked in with the entire congregation several times over these six months to see if they needed anything and to connect.

I am also so thankful for the very generous congregants who answered our call for financial support and have become sustaining members. Funds raised through this membership level enable us to make sure no one is ever turned away.

We are also grateful to the Jewish Federation of Greater Philadelphia, Ira and Diana Riklis and Ben and Jordana Cooperberg who have contributed funds to enable direct aid to community members in need. This too has been a blessing.

We continue to need financial support from those who have the ability so that our community can remain whole and strong as the effects of the pandemic are likely to be felt for some time to come. Please, if you are able, make a High Holiday donation. Your gift is more important than ever.

As we look forward to this year let us remember to hold joy and count our blessings in the midst of challenging circumstances.

On behalf of my family and the Board of Directors,
Shanah Tovah Umetukah,

Lenore Asbel

This sukkah has been modified from its original version and formatted to fit our needs.

This year, the sukkah has been relocated from the lawn to the parking lot to allow us to create openings large enough to fit a car through (*literally*)!

To fulfill the mitzvah of dwelling in the sukkah while staying safe inside your car, you can drive into it, open your sun or moon roof to look up, and recite the blessing. Or open a window and look up! We will have information and instruction signs posted.

Please make note of the following safety considerations:

The "drive-thru" will be closed whenever there is a event occurring in the sukkah.

The sukkah has a 7 feet, 0 inch clearance for vehicles.

Only experienced drivers should drive into the sukkah.

Hand-held mobile devices should not be used while driving.

B.Y.O. Dinner

Sunday, October 4, 2020

For safety reasons, we are unable to provide group meals this year.

We will be limiting the number of family groups able to participate at the same time, but we anticipate being able to accommodate everyone who wishes to participate. Sign-ups will be required and will be sent via e-mail. Information will also be available on the High Holiday website at hhd.adathisrael.org.

The sukkah will be available for use by individuals whenever there are no other events scheduled.

Ha - CAR - Fah!

**Saturday, October 10, 2020
6:00 PM**

Join us outside at Adath Israel for a Simchat Torah celebration that could knock your car right out of neutral.

We will have physically-distanced dancing with the Torah and hakafot for those who are able and comfortable leaving their vehicles. For those who need to stay in their cars — and anyone else who chooses — we have a special Ha-CAR-fah parade circling the entire extravaganza! Weather-permitting.
