

Special Computer Safety Class

Pre-Registration Requested

Navigating Safely in Cyberspace January 18, February 1 and 15 at 10am

Ted Carmely, Retired systems engineer, Jet Propulsion Laboratory

The 3-session class program is designed to raise awareness of the dangers lurking on the internet and what measures we can take to avoid malicious attempts to invade our privacy and steal personal information and financial assets, while safely surfing the net.

There will be 3 sessions for this class program:

- **January 18: Safe E-mailing**
- **Feb 1: Safe Internet Surfing**
- **Feb 15: Valuable Tools and Resources**

All sessions will be on Zoom.
