

Dear Chesed Connection:

A very dear friend of mine lost her husband about 6 months ago.

She has a son who is 16 years old, Jacob H. He is in desperate need of a Jewish Big Brother. He is on the list but apparently there is a huge shortage.

Are there any young men in the VBS community who might be able to make this commitment? I believe it's just a couple of hours a month for a year.

I would greatly appreciate any help we can offer to this important organization.

Sincerely ,

Debi A. (VBS member)
