**Minyan Notes:****Shabbat is different:**

- With Pesach being on Sat. Night, and the last time to eat chametz at 10:28am, we are holding two minyanim for shacharit at 7:15am on Shabbat morning.
- We expect minyan to finish approximately at 8:45, giving people ample time to finish eating chametz by the appropriate time.

**Signup is REQUIRED:**

- We are expecting a larger crowd than usual over Pesach, and also expect our minyanim will be close to capacity.
- Signup is required - every person coming to shul needs to be signed up, especially all guests and all children that may be attending minyan.

**Please Read the Quarantine rules:**

- We want to ensure the safety of all those attending shul, please make sure you follow the quarantine rules.
- This applies to all guests, as well as all of you who may be returning from out-of-state for the second days or after Pesach.
- For the latest information, please consult the NYS Dept of Health: <https://coronavirus.health.ny.gov/covid-19-travel-advisory>

**Davening Changes:**

- For Yom Tov, we will have Chazarat HaShatz (Chazzan Repitition) for Mussaf so that we can also do Birkat Cohanim (if Cohanim are present).
- On Sunday 3/28 - we will say Tefilat Tal, and stop saying "Mashiv Haruach" in our weekday amidah.

**Yizkor:**

- Yizkor will be recited on Sunday 4/4.

- For those who want to minimize their exposure to others, we will have a Minyan for Yizkor Only at 10:30am in the Tent - there is no davening, just Yizkor.
- For those davening Yizkor with one of the 4 Shacharit minyanim - please try to be prompt. Because of Corona protocols, davening is abridged and Yizkor will be earlier than usual.

### **Pesach Guests in Shul and returning to Shul After Traveling for Pesach**

With Pesach rapidly approaching, some of you have begun to inquire about the possibility of family members coming to shul over Pesach. Family members are permitted provided that they follow NYS Quarantine rules if coming from out of state.

At the same time, while we imagine that a smaller number of you are traveling for Pesach than in the past, if you do travel out of NY and states contiguous to it, you will be required to follow the same rules when you return.

As of right now these rules are essentially:

### **For Domestic Travelers:**

If someone is coming from a state contiguous with NY (NJ, PA, MA, CT), or individuals who are between 14 and 90 days from their final covid shot:

- No Quarantine is required

If someone is coming from a state not contiguous with NY:

- They need to quarantine for 10 days
- Alternatively, they can take a test within 72 hours before leaving that state, quarantine for 3 days upon arrival, and take a PCR test on day 4. If both tests are negative, they can come to shul.

**For International Travelers:**

- You are required to quarantine for 10 days after arrival in the US
- You can shorten your quarantine to 7 days if you have a negative PCR Test if you test out after day 5
- There is no exemption for fully vaccinated individuals

For further details, please consult the State of NY travel advisory web site -

<https://coronavirus.health.ny.gov/covid-19-travel-advisory>

If you have any questions about this, please contact one of the members of the board.

## YOUTH EVENTS

### **Brachos chart**

As our community joins together in outpouring tefillos and increased learning of Torah in the merit of a refuah shelemah for Rabbi Greenberg, our Youth Directors ask the obvious question: Where do the children fit into our efforts? How can we give them a place in creating zechusim for our Rabbi?

Thank you to Adina Metchik for our answer:

Brachos!

Those powerful everyday moments where we recognize Hashem in the totally mundane. We created this Brachos Chart (link below) for you to hang in your breakfast nook and dining room to get the kids involved in saying brachos with just a little more kavana, in the merit that Rabbi Greenberg should have a refuah shelemah very soon. Tell us when you have a full chart so we can send over a special prize!
