YOUTH EVENTS

Brachos chart

As our community joins together in outpouring tefillos and increased learning of Torah in the merit of a refuah shelemah for Rabbi Greenberg, our Youth Directors ask the obvious question: Where do the children fit into our efforts? How can we give them a place in creating zechusim for our Rabbi?

Thank you to Adina Metchik for our answer:

Brachos!

Those powerful everyday moments where we recognize Hashem in the totally mundane. We created this Brachos Chart (link below) for you to hang in your breakfast nook and dining room to get the kids involved in saying brachos with just a little more kavana, in the merit that Rabbi Greenberg should have a refuah shelemah very soon. Tell us when you have a full chart so we can send over a special prize!
