Leo,

Our security team is your baby. You initiated the concept and put it into being, and we have been with you the whole way. We all support you as members of your team. Thank you for being our leader.

Marina,

We are proud of your efforts on the Israel Action Committee. Keep up that good work.

We knew this honor was coming to you both, and we're glad we can celebrate with you in person.

Jason and Roni

Thanks for being our neighbors and friends. We have had the pleasure of watching as your family grows, and the comfort of supporting each other through our losses. Jason, you helped our shul enter the world of zoom programming during the pandemic, and Roni, you helped coordinate this dinner. Now we have the pleasure of honoring you both for your efforts.
