=====

Minyan notes:

- Mincha this week is at 5:55pm
- Shacharit on Monday is at 6:30am for Rosh Chodesh
- B"H, starting this shabbat, several simchas are planned over the next few weeks. Given COVID capacity restrictions, accommodating these simchas and their guests is challenging. Therefore, while not ideal, we may be making small adjustments to the davening schedule to accommodate this, including minyanim specifically for these simchas.
- Given that we saw a large number of people returning to shul over the holidays and the aforementioned simchas, we may add a 4th minyan for shabbat morning (even without a simcha), and may make additional adjustments to the davening schedule in order for us to continue to hold tefila in a safe manner that accommodates as any people as possible.
