Dear Parents,

Your students are now preparing for their third and final formal Hebrew School assessment for the school year.. The written test will be taken directly from these worksheets on this website. In addition to the written test, the following will be tested orally:

V'ahavta: Reading and Chanting
Sight reading (provided by teacher on test day)

Audio for the prayers can be found on the Prayer page on the website (www.templesolel.net).

A few reminders for test day:

- Please make sure that your child is ready for the test. If your child does not pass, retesting will take place the following week. Students are retested on the written portion until at least 70% accuracy is achieved. Retesting continues on prayer reading/chanting until mastery is achieved.
- If your child cannot take the test on his or her regular day, please contact me to make arrangements. Do not send your child on a different day without speaking to me first.
- Please be aware that your child may not be finished with testing until 6 PM. Therefore, do not assume you can pick your child up early on testing day.

If you have any questions about the assessment, please do not hesitate to call or email me at Temple, 760-334-1479 efox@templesolel.net

I am sure that everyone will do their best,
Ellen Fox
