

Head Warden/Head of Ritual Report 2019

This year we have standardised the format of our parallel and alternative services and kept a stable group of wardens. In the sanctuary we have:

1. Increased the number of Tallit available to visitors with more to come
2. Made 6 large print siddurim available
3. Welcomers available each week

The HHD were a success last year and we have already started planning for this year.

Two wardens are standing down - Simon Gordon and Madeleine Turner. We are always on the look-out for additions to our team so if anyone has any suggestions please let me know by emailing simonu@radlettreform.org.uk

In the coming year I will continue to work through the commitments made when I was elected to office last year.

I'd like to record my thanks to the Rabbi's and my wardens & welcomers for their support and service in the last year.
