

RADLETT BRIDGE TRAINING GROUP

REPORT 2018-9

This year has been a highly successful one for the Teaching Group.

We are now running 3 classes on a Monday Morning - Beginners, Intermediate & Improvers, and have 80 members attending regularly. We follow the English Bridge Union Syllabus and, upon completion of the Course, expect all Members to be competent to play in a Bridge Club.

The Members of the Improvers Class entered the English Bridge Union Student Simultaneous Pairs in Feb and out of an entry of over 350 pairs from Clubs throughout the U.K., three of our Pairs were placed in the top 20.

We are now accepting applications for our new Beginners Class which will commence in September 2019. For further information please contact the Synagogue Office.

We would take this opportunity to thank our Teachers and Helpers for all their hard work, without which we would be unable to run the Group.
