

## REPORT ON SEPTEMBER CLUB

The September Club is now in its 19<sup>th</sup> year and we continue with our monthly meetings. Numbers vary according to doctor/ hospital appointments(!) but however many or few attend we always have an enjoyable afternoon .

Speakers in the past year have covered topics such as working for Christian Dior in the 1960's, the lives and careers of the stars of the Carry On films, the work of Magen David Adom, a memorable trip to Israel in the 1960's (as recounted by Barry Hyman), running in marathons (Rabbi Celia), the writing of a legal thriller by a solicitor-turned-author, and experiences of a Jewish prison chaplain.

Sadly, last year, our one-time treasurer, Phillip Wolff passed away. Phillip and his wife, Sheila were founder members of the Club and Phillip took care of the finances for about 17 years. He always had a smile and a joke for everyone as he collected the money each time from members.

A big thank you goes to Christopher, our caretaker, for his invaluable help each month and also of course to the volunteers on the rota who provide the delicious sandwiches and home- made cakes for tea each month.
