

Just before the world went into lockdown, our year ended on a high with our Scout Troop winning Hertfordshire's County Cooking Competition. Face to Face meetings were then suspended although Cubs and Scouts have been holding regular on-line meetings where possible. Our Group was well represented at District events and activities such as Remembrance Sunday last November.

Beavers (aged 6-8) led by Lisa Reissner, David Morrall and Beverly Collins

Lots of activities and badge work both in the hall and outside including visiting Pets at Home, learning about recycling and attending Beavers in Tents with 1st Radlett in the Summer of 2019.

Cubs (aged 8-10½) led by Laurence Turner, Sarah Pyzer, Paul Pyzer and David Morrall

Cubs also have been out and about including visiting north Watford Mosque and taking part in the District Night Hike as well as the District Badge Day. Personal safety, map reading, and hobbies have also been on the agenda. Here, the Cubs are pictured having a lesson at the dry ski slope in Welwyn Garden City.

Scouts (aged 10½-14) led by David Marsh, Mickaël Loison and Jenna Hammon

Badges achieved include the Digital Citizen, Model Maker, Chef and Writer. Scouts have been snorkelling and scuba diving as well as climbing walls!

Our cooking team won the Elstree District Cooking Competition in December 2019 and then went on to win the County Cooking Competition in March 2020. Very well done to Sam Ralph, Nathan Wolfson, Reece Freeman and Jack Loison pictured here with the trophy.

Thank you to everyone involved with the 4th Radlett especially all our uniformed leaders who give up so much of their time to attend leader training, plan activities and lead our young people. Thank you to our Chair; **Ken Jones**, our Treasurer; **Michael Wolfson** and our Scrutineer; **John Whiting**. Also, thank you to all Occasional Helpers, Young Leaders, parents and to **Simon Pyzer** our Assistant Group Scout Leader and **Jo Hulman** for managing our waiting list.

We await the green light from the Scout Association before going back to providing safe, fun and educational scouting for our Group.

Tony Reissner, Group Scout Leader
