

### **Profile - Dave Brown**

I grew up in Manchester, spent my youth being very involved in Habonim, joined a garin with Yvonne and went to live on Kibbutz, we stayed 6 years- during this period – got married, had our first child, worked, went into the army, studied, became Farm Manager and returned to UK (we thought temporarily)!

Qualified as accountant, joined Menorah Synagogue and became Treasurer. We decided to follow our 3 emigrated children to London, sold my practice and moved to Radlett in 2015 to be close to our first (now 3) grandchild and am now a semi-retired consultant.

Happy to find a thriving Reform community which we are enjoying being a part of.
