

Kiddush Rota/Mezonot Report 2018

Have you walked into the Jon Young Hall after a service and thought the Kiddush looks delicious?

The Mezonot group is a band of dedicated volunteers who prepare Kiddush every Shabbat and holidays. They are also joined by pre Bar/Bat Mitzvah (BM) families for four weeks before their child's BM.

Huge thanks to all the volunteers and also to Tracy, in the office, who organise the rota and the provisions.

We would welcome more volunteers who could join us for 45 minutes before the service and half an hour or so afterwards. Although we are currently an all-female group, we welcome everyone.

For any further information, please contact the office.
