Reach out to members of our community  
who are sick, in hospice, have given birth,  
facing financial hardship  
or dealing with a stressful time in their life.

You can get involved in a big way or a small way.

Maybe you have time to bring a meal;  
Maybe you have time to make a hospital visit;  
Maybe you have time to go to the grocery store  
Maybe you have time to be a shoulder to cry on.

We need it all. We need you.

*\*High School Teens that join the Mitzvah Corps will  
receive Community Service credit and college reference  
letters acknowledging their service.*
