TEMPLE BETH HATFILOH
— A CENTER FOR JEWISH LIFE —

The Plaque

The TBH Memorial Plaque was dedicated to serve as a permanent memorial to our community members and loved ones. The plaque consists of three sculptured bronze panels surrounded by fifty-three wood-mounted and displayed brass plates. In addition to the permanently engraved plates, there is a detachable plate (1"x3") for each memorialized person which will be affixed to the center sculptured panel on the anniversary date of the individual's passing (the *yahrzeit*). The plaque was created by local artist Simon Kogan

Engraving

Each of the 6" square plates is designed to accommodate four memorialized names and vital dates. Each entry on the plaque consists of three lines:

First Line: English name of deceased
Second Line: Hebrew name of deceased
Third Line: Dates of birth and death, either according to the Gregorian calendar or the Hebrew calendar. (If you only know one, the other can be determined.)

Purchase

To purchase a space on the plaque, please fill out the accompanying form. The application will be reviewed by the Rabbi for content and accuracy, and you will have the option of choosing the location on the plaque. Once the plaque is engraved, you will be notified. Individuals may purchase as many sections as they wish, and may also purchase space for future use.

Fee

Each section of the Memorial Plaque (either engraved or reserved) can be purchased for \$250 for *chaverim* of TBH, or \$500 for non-*chaverim*.
