

If you want Jewish in your life, think about us...

Our idea about Jewish life...

At Shir Tikvah, we go by this idea that Jewish living is meaningful, open to interpretation, and generally a lot of fun.

And we've got this other idea – it doesn't matter who you are, Jewish or not, whether you're secular, searching, or set, there's much to savor.

And who's the "we"?

We're partnered and single, straight and LGBTQ. We're all colors. All ages. We're interfaith, Jewish by choice, by birth, and by association.

Basically, we look to Jewish ideas and each other to make our lives and our world better.

Now *that's* something worth thinking about.
