TEMPLE SINAI PRESCHOOL

Temple Sinai Preschool is a warm, welcoming, and creative Jewish environment where children learn and explore through play. We are excited to offer many program options this year for full day, plus day and half day for children as young as 8 Weeks all the way through Pre-Kindergarten!

The program, accredited by The Georgia Accrediting Commission and licensed by Bright from the Start, offers small classes, an experienced staff, and modern classrooms filled with developmentally appropriate resources. Your child will receive a well-rounded, enriching education that covers a wide array of creative exploration while promoting curiosity and providing learning opportunities for personal development, socialization, and Jewish values, traditions, and customs.

If you are looking for a remarkable and exciting educational experience for you and your child, we invite you to enroll in our preschool and join Team TSPS!

If you would like more information or to schedule a tour, please reach out to the preschool office at 404-255-6200 or tspadmissions@templesinaiatlanta.org. We are excited to offer you and your family a home to learn and grow!

INFANTS (FULL DAY ONLY)

First steps are important—especially the first step in your baby's educational journey.

In this class, your child will be nurtured by creative and loving teachers who are as invested in your child's development as you are! Our infant room will allow your little one to develop their senses and skills, explore the world around them, and spark curiosity and a life-long love of learning.

TODDLER 12 - 24 MONTHS

The Toddler Program provides an introductory experience to social settings with many options to fit your little one's needs. Whether you're looking for a half, plus, or full day schedule or you're looking for a Parents Morning Out opportunity that ends before lunch -- we've got you covered! Our toddler classes are designed to teach curious learners how to safely and enthusiastically engage in a group setting while learning language, motor, and cognitive skills through imaginative play, creative movement, art, and sensory experiences. These young learners will learn and grow while building independent skills and gaining self-confidence.

More programs on other side!

TWO-YEAR-OLD CLASS

The Two-Year-Old Class enriches a child's curiosity about the world for 2, 3, or 5 days a week. From problem solving as a group to understanding everyday tasks and objects, this class embraces children's eagerness to discover and learn. Interactive activities, including creative movement, songs, art, dramatic play, and hands-on exploration, help children develop a sense of self as well as physical and cognitive readiness skills in playful, fun ways.

THREE-YEAR-OLD CLASS

The Three Year Old Class prepares students for more learning by building on critical thinking and social skills while being engaged in activities and discussions that promote pre-reading and pre-writing skills through play with letters and sound. In the Threes, children begin to participate in more group activities and learning that encourage both creative and critical thinking.

PRE-KINDERGARTEN CLASS

The Pre-Kindergarten class provides children with a strong academic foundation for the next step on their educational journey. This 5 day class inspires students with specific math, language, science, and social studies activities which help children develop the necessary cognitive Kindergarten readiness skills. Students continue to build the love of learning and positive sense of self through play that will carry them throughout their lifetime. This program is eligible for ALEF funding. SPECIAL PROGRAMS

Temple Sinai Preschool also offers a variety of enrichment experiences throughout the year. Each week, the entire school comes together to celebrate Shabbat with Temple Sinai clergy through songs and stories. Our students also love their weekly music classes, where they explore new songs, instruments, and movement together. Students love to get moving and build foundational sports skills during a dedicated physical education class. Each class also spends time during the week with our learning resource specialist and her beloved puppet sidekick, Red, in a social-emotional learning class that helps our students identify, name, and manage big feelings during the ups and downs of their preschool years.

EXTENDED HOURS - A PERFECT FIT FOR YOUR FAMILY

At TSPS we strive to provide flexible schedules that fit each family's needs. Do you need early morning or after school care? Add on early morning (Boker Time) or after school (Kef Club) to your half or plus day registration to drop off as early as 8:00 or extend your child's day to 3:30. In the afternoons, students will rest and recharge, play outside, and participate in art and other small group activities.
