

IMPORTANT NOTICE – NATIONAL SECURITY GRANT PROGRAM (NSGP)

The Young Israel of Deerfield Beach is seeking quotes for equipment, materials and installation services under NSGP funding distributed by the Florida Division of Emergency Management.

Work includes design and installation of blast resistance for windows and doors (SEL category 14EX-00-BSIR); and impact resistant internal and external doors (SEL category 14SW-01-DOOR).

Specifications and requirements can be determined by a vendor site visit to be scheduled.

All interested vendors are required to provide primary contact name, telephone number, email and website address to: boobakc@gmail.com, subject line: NSGP VENDOR. Only experienced vendors with documented references need apply.

Bids will be invited subsequent to the site visit, and will be reviewed in conjunction with the review of the initial vendor findings, vendor qualifications and other relevant factors. Vendors offering project management and a single point of contact are preferred.
