

A Sweet Shabbat with CABI Caregivers

Friday, April 20th - Early Bird Shabbat - 5:30 pm

Saturday, April 21st

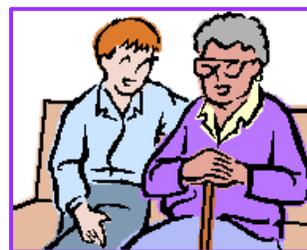

Shabbat Morning Service - 10:00 am

Dairy Potluck (following service) – 12:15 pm

Adult Learning – “Judaism and Healthcare” – 1:00 – 4:30 pm

Our Jewish community includes many thoughtful souls who extend a hand to those who are ill, struggling, or recovering. These CABI Caregivers kindly help friends, family members, and strangers needing assistance. Do you know these angels? Might you be one of them? Please join us to **acknowledge the generosity of our caregivers** and to **seek blessings for their strength** and well-being. If you are a caregiver, you will be invited to participate in the service or, if you prefer, to sit quietly and enjoy the message.

Whether you are yourself a caregiver, simply appreciate one, or have benefited from others' caring ways, come celebrate with us! *It's such an appropriate theme*, on a day when our Torah reading is *Tazria Metzora*, the story of Aaron and the priests caring for those with skin afflictions! We'll explore this important Jewish value and recognize the generosity of CABI's caregivers. Questions about the service? Contact Molly O'Shea (mollyoshea520@gmail.com).

Following Shabbat morning service, please stay on! We'll enjoy each other's company over a potluck lunch and lively discussion. Bagels are provided. Please bring a non-meat dish to share.

Then we have a very special **Shabbaton**. Enjoy an afternoon of three interesting and educational presentations about **Judaism and Healthcare**. We hope you'll stop in, for sessions facilitated by members of our community who are healthcare providers. They include **Dr. Perry Brown, Sr., Marilyn Brown, Naomi Brownson, Andrea Leeds** and **Deanah Messenger**. Each presentation will last an hour. A donation of \$5 is appreciated to help offset costs for this event. Questions about this Adult Learning opportunity? Write to Andrea Leeds: aleeds@msn.com.
